The Author 101 series of books are so detailed and well written. Although this one was published almost a decade ago, most of the advice presented still holds true in the ever-changing world of publishing. This guide gives a thorough explanation on how to write a proposal and what NOT to include. I can't say enough about the Author 101 series.

Have you got a nonfiction book idea and dream of securing a million-dollar deal — all before writing the book itself? Well, we've got two words for that: book proposal. In the nonfiction world, publishers will ask an author to submit this vital document (and not the entire book). However, if you want it to emerge unscathed from the slush pile, your proposal must be clear, thoroughly ...

### Author 101--bestselling book proposals : the insider's ...

A book proposal argues why your book (idea) is a salable, marketable product. It acts as a business case or business plan for your book that persuades a publisher to make an investment. Instead of writing the entire book, then trying to interest an editor or agent (which is how it works with novels), you write the proposal first.
