Boss Life is the story of one man's small business experiences. Down's is the owner of a woodworking shop, and this is his chronicle of a year in the life of that business. Except it is so much more. Down's bares his soul and discusses all aspects of running the shop, and of his own personal life. I admit to being very surprised by this book.

I've been living the boss life since 1986. I own a small company that builds custom furniture. I started fresh out of college, with no experience. Ever since, my business has been my life, my education, and my struggle. When I began, I had no training as a businessman and no mentors to help me. I just wanted to make stuff and have fun.

Much like my own small business, the name suits the initial stage of the business life. Surviving the recession, it's clear if the business is to survive, he must leave his comfort zone, outlay some serious cash and mend his autonomous ways. I related with the book. At moments, I literally put the book down and shouted, "Exactly!"
