British Accent Pronunciation

In the standard English accent, the A (for example, in father) is pronounced at the back of the mouth with an open throat—it sounds like "arh". This is the case in pretty much all British accents, but it's exaggerated in RP.

6 Ways to Speak in a British Accent - wikiHow

And, you've guessed it, accents in the UK can be English, Welsh, northern Irish, or Scottish, but there is no such thing as one British accent. What people commonly describe as a "British accent" is actually called "received pronunciation". This term describes "the standard accent of Standard English" and is generally spoken in the south of England.
