**Capital without Borders — Brooke Harrington | Harvard ...**  
Capital without Borders gives a clear picture as to how the world's wealthiest people live in a parallel reality to the rest of the world: one out of reach of laws and regulation on a global scale... Capital without Borders is a vital text for the modern age and a must-read for anyone looking towards a more egalitarian economic future.

**Capital without Borders: Wealth Managers and the One ...**  
Capital Without Borders book. Read 36 reviews from the world's largest community for readers. How do the one percent hold on to their wealth? And how do ...

**Capital Without Borders: Wealth Managers and the One ...**  
Capital without Borders tackles this tantalizing question through a groundbreaking multi-year investigation of the men and women who specialize in protecting the fortunes of the world's richest people. Brooke Harrington followed the money to the eighteen most popular tax havens in the world, interviewing wealth managers to understand how they help their high-net-worth clients dodge taxes, creditors, and disgruntled heirs—all while staying just within the letter of the law.

**Capital without Borders - Harvard Book Store**  
Capital without Borders is a book that everyone who cares about fairness, the rule of law, and equal opportunity should read. Even if, or perhaps especially if, you're in the 'one percent.', Brooke Harrington shines a light into the shadowy and little-understood subject of wealth management.

**Capital Without Borders : Wealth Managers and the One ...**  
Capital Without Borders is an ethnographic study—Harrington intentionally chose to not follow the paper trail because she considered documents to be misleading. She defines wealth management as the business of “deploying legal and financial expertise to defend the fortunes of high-net-worth individuals and families.”.

**a book review by Robert Schaefer: Capital without Borders ...**  
Capital Without Borders Book Description: This volume examines different facets of international capital movements - the role of openness, the implications of large inflows of foreign capital and the impact of regulatory frameworks - from the point of view of the global South.

**Capital Without Borders: Challenges to Development on JSTOR**  
Capital without Borders reveals how wealth managers use offshore banks, shell corporations, and trusts to shield billions in private wealth not only from taxation but from all manner of legal obligations. And it shows how practitioners justify their work, despite evidence that it erodes government authority and contributes to global inequality.

**Capital without Borders: Wealth Managers and the One ...**  
Capital without Borders takes a novel approach to these questions by looking at professionals who specialise in protecting the fortunes of the world's richest people: wealth managers. Brooke Harrington spent nearly eight years studying this little-known group including two years training to become a wealth manager herself.

**Capital Without Borders: Wealth Managers and the One ...**  
Capital without Borders tackles this tantalizing question through a groundbreaking multi-year investigation of the men and women who specialize in protecting the fortunes of the world's richest people.

The wolves are wearing wolves' clothing, but we're still treating them like sheep. The opaque means by which the wealthy preserve their luxury at our expense is the subject of Brooke Harrington's new book Capital without Borders: Wealth Managers and the One Percent.

**'Capital without Borders' | Commonweal Magazine**  
Capital without Borders reveals how wealth managers use offshore banks, shell corporations, and trusts to shield billions in private wealth not only from taxation but from all manner of legal obligations. And it shows how practitioners justify their work, despite evidence that it erodes government authority and contributes to global inequality.

**Capital without Borders : wealth managers and the one ...**  
est-selling author John Grisham is famous for his detailed re- search before he even sits down to write a novel. Sociologist Brooke Harrington, the author of Capital without Borders, took the even more immersive approach of ethnography to try to understand wealth managers, who, she argues, helped create today's enormous wealth inequality.
