All three books in the phenomenally bestselling Fifty Shades trilogy, now a series of major films. Fifty Shades of Grey When literature student Anastasia Steele interviews successful entrepreneur Christian Grey, she finds him very attractive and deeply intimidating. Unworldly and innocent, Ana is shocked to find she wants this man, and excited when she realises that Christian wants her too. As they embark on a passionate love affair, Ana discovers more about her own desires, as well as the dark secrets Christian keeps hidden away from public view... Fifty Shades Darker Daunted by the dark secrets of the tormented young entrepreneur Christian Grey, Ana Steele has broken off their relationship. But when Christian proposes a new arrangement, she cannot resist. Soon she is learning more about the harrowing past of her damaged, driven and demanding lover than she ever thought possible... Fifty Shades Freed Anastasia Steele always knew that loving Christian Grey would not be easy, and being together poses challenges neither of them had anticipated. But, finally together, they have love, passion, intimacy, wealth, and a world of infinite possibilities. But just when it seems that they really do have it all, tragedy and fate combine to make Ana's worst nightmares come true...

"Fifty shades darker as told by Christian"--Front cover.

The #1 New York Times bestseller—a thrilling new romance from E L James, author of the phenomenal bestselling Fifty Shades Trilogy. London, 2019. Life has been easy for Maxim Trevelyan. With his good looks, aristocratic connections, and money, he's never had to work and he's rarely slept alone. But all that changes when tragedy strikes and Maxim inherits his family's noble title, wealth, and estates, and all the responsibility that entails. It's a role he's not prepared for and one that he struggles to face. But his biggest challenge is fighting his desire for an unexpected, enigmatic young woman who's recently arrived in England, possessing little more than a dangerous and troublesome past. Reticent, beautiful, and musically gifted, she's an alluring mystery, and Maxim's longing for her deepens into a passion that he's never experienced and dares not name. Just who is Alessia Demachi? Can Maxim protect her from the malevolence that threatens her? And what will she do when she learns that he's been hiding secrets of his own? From the heart of London through wild, rural Cornwall to the bleak, forbidding beauty of the Balkans, The Mister is a roller-coaster ride of danger and desire that leaves the reader breathless to the very last page.

For over a hundred years, the mystery of Jack the Ripper has been a source of unparalleled fascination and horror, spawning an army of obsessive theorists and endless volumes purporting to finally reveal the identity of the brutal murderer who terrorized Victorian England. But what if there was never really any mystery at all? What if the Ripper was always hiding in plain sight, deliberately leaving a trail of clues to his identity for anyone who cared to look, while cynically mocking those who were supposedly attempting to bring him to justice? In They All Love Jack, the award-winning film director and screenwriter Bruce Robinson exposes the cover-up that enabled one of history's most notorious serial killers to remain at large. More than twelve years in the writing, this is no mere radical reinterpretation of the Jack the Ripper legend and an enthralling hunt for the killer. A literary high-wire act reminiscent of Tom Wolfe or Hunter S. Thompson, it is an expressionistic journey through the cesspools of late-Victorian society, a phantasmagoria of highly placed villains, hypocrites, and institutionalized corruption. Polemic forensic investigation and panoramic portrait of an age, underpinned by deep scholarship and delivered in Robinson's inimitably vivid and scabrous prose, They All Love Jack is an absolutely riveting and unique book, demolishing the theories of generations of self-appointed experts—the so-called Ripperologists—to make clear, at last, who really did it; and, more important, how he managed to get away with it for so long.

From its beginnings in Twilight fan-fiction to its record-breaking sales as an e-book and paperback, the story of the erotic romance novel Fifty Shades of Grey and its two sequels is both unusual and fascinating. Having sold over seventy million copies worldwide since 2011, E. L. James ' s lurid series about a sexual ing é nue and the powerful young entrepreneur who introduces her to BDSM sex has ingrained itself in our collective consciousness. But why have these particular novels—poorly written and formulaic as they are—become so popular, especially among women over thirty? In this concise, engaging book, Eva Illouz subjects the Fifty Shades cultural phenomenon to the serious scrutiny it has been begging for. After placing the trilogy in the context of best-seller publishing, she delves into its remarkable appeal, seeking to understand the intense reading pleasure it provides and how that resonates with the structure of relationships between men and women today. Fifty Shades, Illouz argues, is a gothic romance adapted to modern times in which sexuality is both a source of division between men and women and a site to orchestrate their reconciliation. As for the novels ' notorious depictions of bondage, discipline, and sadomasochism, Illouz shows that these are as much a cultural fantasy as a sexual one, serving as a guide to a happier romantic life. The Fifty Shades trilogy merges romantic fantasy with self-help guide—two of the most popular genres for female readers. Offering a provocative explanation for the success and popularity of the Fifty Shades of Grey novels, Hard-Core Romance is an insightful look at modern relationships and contemporary women ' s literature.

Apr è s une liaison passionn é e qui s'est achev é e dans les larmes et les reproches, Christian Grey est incapable d'oublier Anastasia Steele. Il l'a dans la peau. D é cid é à regagner son amour, il s'efforce de r é primer ses d é sirs les plus troubles et son besoin de tout contr ô ler pour enfin aimer Ana selon ses conditions. H é las, son enfance continue de le hanter, d'autant que Christian comprend que Jack Hyde, le patron surnois d'Ana, la veut clairement pour lui seul. Le Dr Flynn, confident et th é rapeute de Christian, parviendra-t-il à l'aider à affronter ses d é mons ? Ou est-ce que l'amour exclusif d'Elena et l'adoration insens é e de son ex-soumise, Leila, finiront par le retenir dans le pass é ? Et si, malgr é ses tourments et ses obsessions, Christian r é ussit à reconqu é rir Ana, sera-t-il capable de la garder ?
