A maxixe is a highly rhythmic Brazilian dance. Barrios' tuneful and energetic setting is among his best-known guitar solos.

The product of decades of scholarly investigation, Volume 1 contains 67 musical works by the virtuoso Paraguayan guitarist Agustín Barrios Mangoré (1885-1944). This is the first edition of Barrios' music based on all available sources: manuscripts, phonograph recordings and published editions (pre-1970s). Written in standard notation only, the two volumes of this definitive collection are illustrated with period photographs, concert programs and Barrios' own drawings. the legacy of Barrios is one of the most important and outstanding contributions ever made to the classic guitar, and it is with great pride that Mel Bay Publications offers here for the first time in one edition the collected works of Agustín Barrios Mangoré.

Presented in this informative text is a concise, clear picture of the fingernail, its anatomy, what affects its health, how to combat weak nail problems, how to obtain strong, healthy nails and what products to buy. Included is an analysis of all currently available artificial nail systems (acrylics, wraps, gels and glue on tips) with a discussion of the potential health risks involved. the Guitarist's Guide to Fingernails also introduces a revolutionary new artificial nail system that is nontoxic, removable yet effective, with no
