A great DBS finished to the best specification, featuring the 6-speed manual gearbox, two seats and finished in James Bond (Casino Royale) Grey with full Carbon trim. It has had two owners from new and covered only 10,000 miles with a full Aston Martin dealer service history. The DBS was supplied when new by Aston Martin main dealer Broughtons of Cheltenham.

For nearly a century now the Aston Martin name has been synonymous with performance, style and sophistication. Perhaps more than any other luxury car it possesses a mystique and charisma that have established it as a cultural icon And The pinnacle of aut

The story of Jensen favouring American V8 power began during the 1930s, with the building of their first prototype car. Although this pre-war period was short-lived, this would be the start of what was to eventually become one of the company's main trademarks - the V8 engine. This new book examines the C-V8, Interceptor and FF models as well as Jensen's use of Chrysler, Ford and General Motors engines. The history, design, development and production of these cars is covered and the book is illustrated with 300 colour photographs.

Enough's Enough: Teens may not listen to authority figures, but they do listen to each other. These firsthand stories of the constant fear, danger and violence of life inside a gang are a way to reach young people on the cusp of making the life-destroying decision to join a gang. Also included are interviews with adult and juvenile inmates who talk about their gang experiences, posters and discussion questions to use with the stories. This book contains 206 pages packed with information to aid any life skills or gang prevention program in saving young lives.
