Integrated audio clips let you listen and learn as you hear pronunciations and real-life conversations. Fun and games sections ease your way into German fluency, phonetic spellings following expressions and vocabulary improve your pronunciation, and helpful boxes and sidebars cover cultural quirks and factoids. Master the nuts and bolts of German grammar Learn phrases that make you sound German-and know what never to say in German Whether you're just looking for a greeting besides "Guten tag" or you want to become a foreign exchange student, this enhanced edition of German For Dummies gives you what you need to learn the language-as much as you like, as fast as you like!

Perfect for self-studiers or students, this Farsi language education book takes a user-friendly and clear approach. Farsi is the language of Persia (present-day Iran)-the mellifluous mother tongue of famed 13th-century poet Rumi, whose works are still among the best-selling poems in America today. Farsi for Beginners is a complete language course by experienced teacher Dr. Saeid Atoofi which can help you to speak the language and understand this beautiful work of art in its original, as well as open doors to Persian culture. Whether for pleasure, travel or business, language learners will find these lessons clear and easy to follow. By the end of this course, you'll be able to understand short sentences, express your basic needs, and read and write the 32-letter Farsi alphabet. Farsi for Beginners contains the following essential features: Downloadable native-speaker audio recordings help you to pronounce Farsi accurately. Dialogues and stories about a family traveling to contemporary Iran. Idioms, sayings and poems introducing you to the cultures in which Farsi is used. Extensive exercises with answer keys to guide your learning process. Photos and insider cultural tips teach you about Persian culture. Nearly one million Iranian-Americans live in the U.S. today, and a part of Los Angeles is referred to as "Tehrangeles". Farsi is also considered a "critically needed" language by the U.S. government. Learning Persian with Farsi for Beginners and its accompanying audio disc, can open opportunities for travel, for work, or simply to meet new people and understand their lives in a totally new way.

Originating in India, the Gypsies arrived in Europe around the 14th century, spreading not only across the entirety of the continent but also immigrating to the Americas. The first Gypsy migration included farmworkers, blacksmiths, and mercenary soldiers, as well as musicians, fortune-tellers, and entertainers. At first, they were generally welcome as an interesting diversion to the dull routine of that period. Soon, however, they attracted the antagonism of the governing powers, as they have continually done throughout the following centuries. The second edition of the Historical Dictionary of the Gypsies (Romanies) seeks to end such prejudice by clarifying the facts about this nomadic people. Through a list of acronyms, a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on significant persons, places, events, institutions, and aspects of culture, society, economy, and politics, the history of the Gypsies and their culture is told.

The city long-adored for its medieval beauty, old-timey brasseries, and corner caf\u00e9s has even more to offer today. In the last few years, a flood of new ideas and creative locals has infused a once-static, traditional city with a new open-minded sensibility and energy. Journalist Lindsey Tramuta offers detailed insight into the rapidly evolving worlds of food, wine, pastry, coffee, beer, fashion, and design in the delightful city of Paris. Tramuta puts the spotlight on the new trends and people that are making France's capital a more whimsical, creative, vibrant, and curious place to explore than its classical reputation might suggest. With hundreds of striking photographs that capture this fresh, animated spirit, The New Paris shows us the storied City of Light as never before.

Compact and easy to use, this handy guide includes travel and language tips plus a two-way mini-dictionary, so you'll never be stuck for the right word. It is arranged by topic in clear, colour-coded sections, and offers phrases for every eventuality. Its simple-to-read format allows you to build your own sentences and develop your language skills. Also featuring a comprehensive menu-reader and pronunciation guide, it is the ideal companion to any trip. 224-page book.

Third Australian edition of Fromkin and Rodman's US text modified and extended for interdisciplinary Australian use. Topics include the nature of language, grammatical, social and biological aspects, language in the computer age, and Aboriginal English, pidgins and creoles. Each chapter includes a summary, exercises, references and further reading. With glossary and index. Blair is head of the school of English, linguistics and media at Macquarie University, and Collins teaches English at the University of New South Wales.
