distiller Steven Grasse presents a historical manifesto on drinking, including 50 colonial era-inspired cocktail recipes. The book features a rousing timeline of colonial imbibing and a cultural overview of all kinds of alcoholic beverages: beer, rum and punch; temperance drinks; liqueurs and cordials; medicinal beverages; cider; wine, whiskey, bourbon and more. The book is spiced with delightful illustrations and liquored-up adages from our founding fathers. Grasse shares expert guidance on DIY home brewing, plus recipes like the Philadelphia Fish House Punch (a crowd pleaser!) and Snakebites (drink alone!). Hot beer cocktails and rattle skulls have never been so irresistible.

A manual dedicated to recreating the brewed beverages that existed in the American Colonies. All of the historic

History
recipes were documented as dating from 1800 or earlier, and all were taste-tested. The book consists of more than fifty recipes for ale, beer, mead, hard cider, and mixed drinks, including an award winning recipe for porter. Along with the recipes is a how-to chapter on brewing. There is an additional chapter on non-alcoholic brews, such as tea and coffee, and herbalsubstitutes for both. Plus, a section on making non-alcoholic beer, and carbonated soft drinks.

Colonial New England was awash in ales, beers, wines, cider and spirits. Everyone from teenage farmworkers to our founding fathers imbibed heartily and often. Tipples at breakfast, lunch, teatime and dinner were the norm, and low-alcohol hard cider was sometimes even a part of children's lives. This burgeoning cocktail culture reflected the New World's abundance of

History: raw materials: apples, sugar and molasses, wild berries and hops. This plentiful drinking sustained a slew of smoky taverns and inns--watering holes that became vital meeting places and the nexuses of unrest as the Revolution brewed. New England food and drinks writer Corin Hirsch explores the origins and taste of the favorite potations of early Americans and offers some modern-day recipes to revive them today..

"Offers a fresh perspective on one of the colonial period's most important social institutions and the drinking behavior that was central to it... Salinger's work is compelling throughout... A significant and satisfying book." -- American Historical Review

History, you'll be able to purify your own human spirit. These recipes explain not just the flavor benefits of their ingredients, but also the spiritual and supernatural. Discover the meanings of herbs, the ratio of the Fibonacci sequence, and the effects of moon phases, among so much more. Come for the drinks, but stay for the magic.

Alcohol is a killer--1 of every 13 deaths in the United States is alcohol-related. In addition, 5 percent of the population consumes 50 percent of the alcohol. The authors take a close look at the problem in a "classy little study," as The Washington Post called this book. The Library Journal states, ". . . [T]his is one book that addresses solutions. . . . And it's enjoyably readable. . . . This is an excellent review for anyone in the alcoholism prevention business, and good background reading for

George Washington on Alcohol -- the American Whiskey Trail -- Portfolio of Distillery Images -- Notes -- Index

Presents a description of how George Washington and his wife entertained at their Mount Vernon home, discussing their tableware, the guests who attended their events, the staff who prepared the meals, the ingredients used, and recipes for the actual dishes that were served.

Read PDF Colonial Spirits A Toast To Our Drunken History

'Twas Honest old Noah first planted the
Vine And mended his morals by drinking
its Wine. ¶from a drinking song by
Benjamin Franklin There were, Peter
Thompson notes, some one hundred and
fifty synonyms for inebriation in common
use in colonial Philadelphia and, on the
eve of the Revolution, just as many
licensed drinking establishments. Clearly,
eighteenth-century Philadelphians were
drawn to the tavern. In addition to the
obvious lure of the liquor, taverns offered
overnight accommodations, meals, and
stabling for visitors. They also served as
places to gossip, gamble, find work, make
trades, and gather news. In *Rum Punch
and Revolution*, Thompson shows how the
public houses provided a setting in which
Philadelphians from all walks of life
revealed their characters and ideas as
nowhere else. He takes the reader into the

Read PDF Colonial Spirits A Toast To Our Drunken

History cramped confines of the colonial bar room, describing the friendships, misunderstandings and conflicts which were generated among the city's drinkers and investigates the profitability of running a tavern in a city which, until independence, set maximum prices on the cost of drinks and services in its public houses. Taverngoing, Thompson writes, fostered a sense of citizenship that influenced political debate in colonial Philadelphia and became an issue in the city's revolution. Opinionated and profoundly undeferential, taverngoers did more than drink; they forced their political leaders to consider whether and how public opinion could be represented in the counsels of a newly independent nation.

In this study of the role of taverns in the development of Massachusetts society, David Conroy brings into focus a vital and

History
controversial but little-understood facet of public life during the colonial era.

Concentrating on the Boston area, he reveals a popular culture at odds with Puritan social ideals, one that contributed to the transformation of Massachusetts into a republican society. Public houses were an integral part of colonial community life and hosted a variety of official functions, including meetings of the courts. They also filled a special economic niche for women and the poor, many of whom turned to tavern-keeping to earn a living. But taverns were also the subject of much critical commentary by the clergy and increasingly restrictive regulations. Conroy argues that these regulations were not only aimed at curbing the spiritual corruption associated with public houses but also at restricting the popular culture that had begun to undermine the colony's social and political

Read PDF Colonial Spirits A Toast To Our Drunken

history. Specifically, Conroy illuminates the role played by public houses as a forum for the development of a vocal republican citizenry, and he highlights the connections between the vibrant oral culture of taverns and the expanding print culture of newspapers and political pamphlets in the eighteenth century.
