From the former New York Times Op-Ed page editor, a definitive and entertaining resource for writers of every stripe on the neglected art of persuasion. In the tradition of The Elements of Style comes Trish Hall's essential new work on writing well—a sparkling instructional guide to persuading (almost) anyone, on (nearly) anything. As the person in charge of the Op-Ed page for the New York Times, Hall spent years immersed in argument, passion, and trendsetting ideas—but also in tangled sentences, migraine-inducing jargon, and dull-as-dishwater writing. Drawing on her vast experience editing everyone from Nobel Prize winners and global strongmen (Putin) to first-time pundits (Angelina Jolie), Hall presents the ultimate guide to writing persuasively for students, job applicants, and rookie authors looking to get published. She sets out the core principles for connecting with readers—laid out in illuminating chapters such as “Cultivate Empathy,” “Abandon Jargon,” and “Prune Ruthlessly.” Combining boisterous anecdotes with practical advice (relayed in “tracked changes” bubbles), Hall offers an infinitely accessible primer on the art of effectively communicating above the digital noise of the twenty-first century.

A hilarious companion to I Wanna Iguana. Ever since their baby sister came along, Alex has been forced to share a room with his little brother, Ethan, and it's a nightmare. Ethan always breaks stuff, snores like a walrus, and sticks crayons up his nose. No hardworking, well-behaved, practically grown-up boy like Alex should have to put up with that! Writing letters to his mom convinced her to let him get his pet iguana, so Alex puts pencil to paper again, this time determined to get his own room. Though all of his powers of persuasion can't get his dad to expand the house, he does come through with a fun alternative to give Alex some space of his own.

The United States has long been a leader in education. However, the country's students are now in danger of becoming economically and professionally handicapped. The reason lack of a more rigorous education. One solution is year-round schooling. But is a longer school year a viable approach to the problem? And is it realistic? Or is summer vacation still a good idea? Read these essays to find out.

If you could plant a garden that would represent your personality, what would it include? Maybe cherry tomatoes, green peppers, and delicious strawberries? Audrey Aubergine and her friends do just that in their neighborhood's community garden, where they play hide-and-seek, tend giant sunflowers, and discover nature's possibilities. Charmingly illustrated in a folk art style, this heartfelt story captures the excitement of children getting their hands dirty and learning to nurture living things for the first time. A celebration of different cultures and a gentle reminder of the value of people working together, Our Community Garden will appeal to all ages.

In The Art of Rhetoric, Aristotle demonstrates the purpose of rhetoric—the ability to convince people using your skill as a speaker rather than the validity or logic of your arguments—and outlines its many forms and techniques. Defining important philosophical terms like ethos, pathos, and logos, Aristotle establishes the earliest foundations of modern understanding of rhetoric, while providing insight into its historic role in ancient Greek culture. Aristotle's work, which dates from the fourth century B.C., was written while the author lived in Athens, remains one of the most influential pillars of philosophy and has been studied for centuries by orators, public figures, and politicians alike. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms.
