Dante Alighieri's poetic masterpiece, The Divine Comedy, is a moving human drama, an unforgettable visionary journey through the infinite torment of Hell, up the arduous slopes of Purgatory, and on to the glorious realm of Paradise—the sphere of universal harmony and eternal salvation. 10 illustrations @HolyHaha I have to climb a mountain now? You got to be kidding me. Is this a joke? Who the hell came up with story? VIIIIRRRGGGILLLLLLLLLLLLL! From Twitterature: The World's Greatest Books in Twenty Tweets or Less

Divine Comedy is one of the greatest works of world literature. The poem's imaginative vision of the afterlife is representative of the medieval world-view. The narrative describes Dante's travels through Hell, Purgatory, and Paradise or Heaven, while allegorically the poem represents the soul's journey towards God. Contents: Divine Comedy Inferno Purgatorio Paradiso Six Sonnets on Dante's Divine Comedy

This Everyman's Library edition—containing in one volume all three cantos, Inferno, Purgatorio, and Paradiso—includes an introduction by Nobel Prize—winning poet Eugenio Montale, a chronology, notes, and a bibliography. Also included are forty-two drawings selected from Botticelli's marvelous late-fifteenth-century series of illustrations. Translated in this edition by Allen Mandelbaum, The Divine Comedy begins in a shadowed forest on Good Friday in the year 1300. It proceeds on a journey that, in its intense recreation of the depths and the heights of human experience, has become the key with which Western civilization has sought to unlock the mystery of its own identity. Mandelbaum's astonishingly Dantean translation, which captures so much of the life of the original, renders whole for us the masterpiece of that genius whom our greatest poets have recognized as a central model for all poets.

This book is part of the TREDITION CLASSICS. It contains classical literature works from over two thousand years. Most of these titles have been out of print and off the bookstore shelves for decades. The book series is intended to preserve the cultural legacy and to promote the timeless works of classical literature. Readers of a TREDITION CLASSICS book support the mission to save many of the amazing works of world literature from oblivion. With this series, tredition intends to make thousands of international literature classics available in printed format again – worldwide.

Includes "The Divine Comedy," "The New Life," and other selected poems, prose, and letters accompanied by biographical and introductory sections.

When you want to read in both Italian and English, though, there's a great option: bilingual books! Reading bilingual books and inferring the vocabulary and grammar is a far superior method of language learning than traditional memorization. It is also much less painful. The Divine Comedy (Italian: Divina Commedia) is a long narrative poem by Dante Alighieri, begun c. 1308 and completed in 1320, a year before his death in 1321. It is widely considered to be the preeminent work in Italian literature and one of the greatest works of world literature. The poem's imaginative vision of the afterlife is representative of the medieval world-view as it had developed in the Western Church by the 14th century. It helped establish the Tuscan language, in which it is written, as the standardized Italian language. It is divided into three parts: Inferno, Purgatorio, and Paradiso. Durante degli Alighieri, commonly known as Dante Alighieri or simply Dante (1265 - 1321), was a major Italian poet of the Late Middle Ages. His Divine Comedy, originally called Comedia (modern Italian: Commedia) and later christened Divina by Giovanni Boccaccio, is widely considered the most important poem of the Middle Ages and the greatest literary work in the Italian language.

An epic masterpiece, Dante Alighieri's "The Devine Comedy" is an incredible dramatic journey that takes the reader from the glories of heaven to the searing pit of hell. Dante's poem is one of the finest and most enduring works in Western Civilization.

"Finally I realised that I had been practising for this job every time I wrote a quatrain ... I had spent all this time - the greater part of a lifetime - preparing my instruments"
The Divine Comedy is the precursor of modern literature, and Clive James's new translation - his life's work and decades in the making - presents Dante's entire epic poem in a single song. While many poets and translators have attempted to capture the full glory of The Divine Comedy in English, many have fallen short. Victorian verse translations established an unfortunate tradition of reproducing the sprightly rhyming measures of Dante but at the same time betraying the strain on the translator's powers of invention. For Dante, the dramatic human stories of Hell were exciting, but the spiritual studies of Purgatory and the sublime panoramas of Heaven were no less so. In this incantatory new translation, James - defying the convention by writing in quatrains - tackles these problems head-on and creates a striking and hugely accessible translation that gives us The Divine Comedy as a whole, unified, and dramatic work.
