The book has been designed topic and subtopic-wise, keeping the students ' needs in mind. The current edition has certain unique features: This book is strictly as per the latest CBSE syllabus and covers complete matter as per the NCERT book. After every topic, objective type questions and case studies are given based on the latest CBSE Sample Paper (2020). (Hints of their answers are given at the end of each chapter.) At the end of each chapter, 40 objective type questions (20 MCQs + 10 Fill in the blanks + 10 True/False) are given along with answers at the end. Keywords of each topic are given at the end of each topic, to help students to solve case studies. A flow chart of each chapter is given at the end to recap the topics covered in that chapter. Quick revision is given to revise all the topics in short time. At the end of each chapter, questions asked in last 7 years' board exam are given, so that the student may get an idea of what types of questions are expected from this chapter. (Hints of answers of these questions are also given). Case Studies are framed by using words strictly from the NCERT. A solved sample paper of CBSE 2020 is also given. Guidelines for project are also given. A sample project on Marketing Management is also given. The Subject Matter is presented in simple language, in points, and along with diagrams, so that the student may find it easy to understand.

Unit: Encapsulates the subject matter with simplicity in language and is replete with problems for practice to reinforce learning. Also includes comprehensive problems which provide an exhaustive training to students on slightly tougher problems. Must Know: Presents solved NCERT problems that on many occasions have been noticed to form the basis of several questions asked in the Board Examinations. Must Practise: Covers all recent questions (solved) that have been asked in the Board Examination chapter-wise to coach students readily. HOTS: Offers a range of questions to promote critical thinking, analysis and problem-solving skills. Evaluation Questions with Incomplete Information/Missing Figures deals with life-skills, values and tricky questions. Assess Yourself: Constitutes extensive exercises presenting typology of questions comprising Remembering, Understanding and Application-based which are classified as: Multiple Choice Questions (MCQs), Very Short Answer Type Questions, Short Answer Type Questions, Long Answer Type Questions and Practical Questions. The volume thus plans to assimilate three books- namely NCERT, CBSE examination question papers and a complete textbook-into one single volume for a much-focused study and exam preparation right from the beginning.

International Review of Cytology

"This inspiring story introduces Ron, an average guy, who is increasingly disturbed by social media updates from his peers and feels he is not doing as well in his own life. He feels stuck in his day-to-day routine and is struggling to accept if that is all life had to offer, after all the hard work that he put in over the years to establish himself. Although his life is comfortable, he feels something is missing within the entire scheme of things. One day, through a ' magical meeting ', he is introduced to the step-by-step approach to finding one ' s answers. Ron embarks on this journey, becomes his best self and in the process, discovers his life purpose, a sense of passion and ever-lasting contentment. The book offers those key concepts from the science of achievement and personal development that can have maximum impact on your life. In addition, simple exercises have been provided, each of which can be integrated into your busy day-to-day lives. If you are new to self-help and personal development, this book will provide you with most of what you need to become your best self and continue pushing further. If you are already a self-help enthusiast, this book will serve as a quick reminder of the core principles and high-impact exercises."
