Travel with Monkey, Pig, Friar Sand and the Tang Priest as they continue their journey to India and finally attain the scriptures. Volume 2 contains some of the most famous episodes from this classic, including Monkey's duel with the Princess Iron Fan.

Anthony C. Yu's translation of The Journey to the West,initially published in 1983, introduced English-speaking audiences to the classic Chinese novel in its entirety for the first time. Written in the sixteenth century, The Journey to the West tells the story of the fourteen-year pilgrimage of the monk Xuanzang, one of China’s most famous religious heroes, and his three supernatural disciples, in search of Buddhist scriptures. Throughout his journey, Xuanzang fights demons who wish to eat him, communes with spirits, and traverses a land riddled with a multitude of obstacles, both real and fantastical. An adventure rich with danger and excitement, this seminal work of the Chinese literary canonis by turns allegory, satire, and fantasy. With over a hundred chapters written in both prose and poetry, The Journey to the West has always been a complicated and difficult text to render in English while preserving the lyricism of its language and the content of its plot. But Yu has successfully taken on the task, and in this new edition he has made his translations even more accurate and accessible. The explanatory notes are updated and augmented, and Yu has added new material to his introduction, based on his original research as well as on the newest literary criticism and scholarship on Chinese religious traditions. He has also modernized the transliterations included in each volume, using the now-standard Hanyu Pinyin romanization system. Perhaps most important, Yu has made changes to the translation itself in order to make it as precise as possible. One of the great works of Chinese literature, The Journey to the West is not only invaluable to scholars of Eastern religion and literature, but, in Yu’s elegant rendering, also a delight for any reader.

A roguish monkey leads a seventh-century traveller into encounters with spirits, demons, and fairies in this allegorical novel

A Chinese Lord of the Rings and one of the all-time great fantasy novels--which Neil Gaiman has said is in the DNA of 1.5 billion people--now in a thrilling new one-volume translation A Penguin Classics Hardcover A shape-shifting trickster on a kung-fu quest for eternal life, Monkey King is one of the most memorable superheroes in world literature. High-spirited and omni-talented, he amasses dazzling weapons and skills on his journey to immortality: a gold-hooped staff that can grow as tall as the sky and shrink to the size of a needle; the ability to travel 108,000 miles in a single somersault. A master of subterfuge, he can transform himself into whomever or whatever he chooses and turn each of his body's 84,000 hairs into an army of clones. But his penchant for mischief repeatedly gets him into trouble, and when he raids Heaven's Orchard of Immortal Peaches and gorges himself on the elixirs of the gods, the Buddha pins him beneath a mountain, freeing him only five hundred years later for a chance to redeem himself. He is to protect the pious monk Tripitaka on his fourteen-year journey to India in search of precious Buddhist sutras that will bring enlightenment to the Chinese empire. Joined by two other fallen immortals--Pigsy, a rice-loving pig able to fly with its ears, and Sandy, a depressive man-eating river-sand monster--Monkey King undergoes eighty-one trials, doing battle with Red Boy, Princess Jade-Face, the Monstress Dowager, and all manner of dragons, ogres, wizards, and femmes fatales, navigating the perils of Fire-Cloud Cave, the River of Flowing Sand, the Water-Crystal Palace, and Casserole Mountain, and being serially captured, lacquered, sautéed, steamed, and liquefied, but always hatching an ingenious plan to get himself and his fellow pilgrims out of their latest jam. Monkey King: Journey to the West is at once a rollicking adventure, a comic satire of Chinese bureaucracy, and a spring of spiritual insight. With this new translation, the irrepressible rogue hero of one of the Four Great Classical Novels of Chinese literature has the potential to vault, with his signature cloud-somersault and unerring sense for fun, into the hearts of millions of Americans.

Anthony C. Yu’s translation of The Journey to the West,initially published in 1983, introduced English-speaking audiences to the classic Chinese novel in its entirety for the first time. The first complete English translation of the classic fictional narrative about the sixteen-year pilgrimage of the seventh-century monk Hsuan-tsang to bring back to China from India thousands of items of Buddhist scripture

This book contains the full text, in Traditional Chinese, of the first three books in our Journey to the West series for people learning to read Chinese. The three stories told here - The Rise of the Monkey King, Trouble in Heaven, and The Immortal Peaches - are unchanged from our original versions except for minor editing and reformatting. These three stories all focus on the adventures of Sun Wukong, The Handsome Monkey King, one of the most famous characters in Chinese literature and culture. His legendary bravery, foolish mistakes, sharp-tongued commentary and yearning for immortality and spiritual knowledge have inspired hundreds of books, television shows, graphic novels, video games and films. These books are based on the original epic 2,000 page novel written in the 16th century by Wu Cheng'en. It is probably the most famous and best-loved novel in China and is considered one of the four great classical novels of Chinese literature. These stories are written, as much as possible, using the 600 word vocabulary of HSK3. They are presented in Traditional Chinese characters and pinyin, and include an English version and complete glossary. Free audio versions of all books in this series are available on YouTube's Imagin8 Press channel, and on our website, www.imagin8press.com.

Journey to the West is a Chinese novel published in the 16th century during the Ming dynasty and attributed to Wu Cheng'en. It is one of the Four Great Classical Novels of Chinese literature. In English-speaking countries, the work is widely known as Monkey, the title of Arthur Waley's popular abridged translation.

China's most popular traditional novel, Journey to the West is the thrilling story of the Monkey King and his epic quest, with his trusted companions, to redeem himself. They face fantastic foes, demons and monsters during their amazing adventures traveling to the Western paradise. No matter what obstacie was put before him, the clever, wily Monkey King always got what he wanted—unimaginable strength, eternal life, even his own position in the Celestial Realm with the gods. More than anything else, though, the Monkey King loved mischief and rule-breaking, and was sure he was the most powerful creature in the world. But after defeat and punishment for his tricks, the Monkey King found himself wanting some things he never expected: to be disciplined and good enough to help the monk Hsuan Zhang on his mission to bring Buddhist Scriptures—and enlightenment—to China. Readers of all ages will thrill to Timothy Richard's retelling of the Monkey King's exploits—whether in the Dragon King's underwater castle, the Halls of the Dead or the palace of Buddha himself—and find themselves captivated as the Monkey King joins Hsuan Zhang and their companions the Dragon Horse, the Monk Sand and the equally mischievous Pig on the dangerous trek West. Despite the tale's ancient origins, Journey to the West proves as fresh and engaging an adventure as anything written today.

As the audacious Monkey King battles his way through a landscape of inexplicable places and unfamiliar passions, Further Adventures on the Journey to the West offers a wry, revisionist critique of the late-Ming fascination with desire. Building on the great sixteenth-century novel Journey to the West, which recounts the escapades of a monk and three companions traveling to India in search of Buddhist scriptures to carry back to China, this sequel is a parable of self-delusion that explores the tension between desire and emptiness from a Buddhist perspective. The consummate literati novel, written by an accomplished artist for a well-educated readership, it is filled with allusions and parodies and features a dream-sequence narrative that is innovative and sophisticated even by modern standards. This new, fully annotated translation by two acclaimed scholars and translators brings to life this remarkably inventive, playful early modern text. The volume includes the original commentaries and illustrations, a critical introduction and afterword, and notes that highlight the sources of the novel's intertextual references, revealing the author's erudition and versatility.
