What could be nicer for newlyweds than to sit down to a lovely meal they made together? Not On Love Alone makes it easy. It is a cookbook for newlyweds, organized chronologically around the first year of marriage. Starting in January, each month has a main dinner menu that is based on seasonal ingredients, and a smaller menu, ranging from breakfast to lunch to drinks or dessert, for when a full menu is too much to tackle. There are also dozens of cooking tips, ingredient notes, shopping aids, and equipment pointers sprinkled throughout, accompanied by the author's own charming drawings. Having learned to cook as a young girl at her food-lover father's side, Jessie Carry Saunders writes with a tone that is both surefooted and casual. So, break out that new Cuisinart! Saunders is determined to persuade every newly married couple that they can cook, and — with her mix of delicious recipes and cooking tips — to encourage one and all that they can be relaxed about making great meals.

The Two of Us...and Friends introduces young couples to cooking and entertaining, while providing fun and inexpensive ways to have all the extras like flowers, candles, and invitations. Organized with the 2-4-6-8 principle, each section contains four full menus, plus cooking, decorating, and entertaining tips taken from real life experiences. The "2" chapter, for "The Two of You," deals with the couple's care and feeding, emphasizing the need for alone time. The "4" chapter for a "Party of Four" includes easy but sophisticated menus with a seasonal bent. "6" celebrates "The Joy of Six" with lunches and dinners, sometimes in unusual places, and "Eight and Up" changes the formula slightly to provide not only a swanky dinner party for eight, but for 16, 24, and 32. Special "Multiplication Tables" note which menus are easily halved, doubled, and more, with specific notes on what might occur if you want to alter the recipes. Easy, annotated recipe conversions provide additional assistance. Rounding out this uniquely wonderful book are Jessie's exuberant, contemporary tone, unique entertaining suggestions, and delicious watercolor illustrations throughout.

Did you know that French women don't date? American women have been missing out on a few secrets when it comes to the opposite sex. French women believe that the gift for attracting men has nothing to do with beauty, work, or even motivation. There are no Rules. And they don't listen to Dr. Phil's advice. They don't worry about the care and feeding of their boyfriend. And they certainly don't travel to Mars to communicate with men. On the contrary, French women's love lives are romantic, sensual, playful, and intense. They conduct their relationships with the same unique sense of originality and artfulness that they choose their clothes and accessories. For the first time ever, Jamie Cat Callan gives readers a personalized, guided tour through the corridors of French love. Discover the secrets to: • Why French women always feel sexy • The French art of flirtation • Why French women walk everywhere and love to be seen • Where French women meet men • What French women do when their man misbehaves Just as we've learned to stop torturing ourselves with fad diets and have relearned the art of eating, this witty, insightful, and candid book strives to show American women how to cultivate and enjoy the pleasures of love, romance, and marriage. Includes delicious recipes for the perfect, amorous meal! "Adorable!" --Erica Jong, New York Times bestselling author of Fear of Flying and Fear of Fifty "Attention single ladies: here's a new way to meet men and drive them wild! Jamie Cat Callan reveals sexy French secrets for upping your confidence and attracting potential mates. Your inner goddess will rejoice--and so will your new boyfriend! Ooh la la!" --Bonnie Fuller, former CEO of American Media, former editor-in-chief of Star Magazine, and author of The Joys of Much Too Much: Go for the Big Life--The Great Career, The Perfect Guy, and Everything Else You've Ever Wanted "No matter where you were born, every woman can now be a little bit French, thanks to this delightful book, French Women Don't Sleep Alone. Jamie Cat Callan helps women to look at their love lives and marriages with new eyes; love and marriage are not jobs but arts." --Nahid Rachlin, author of Persian Girls "Entertaining and informative!" --Helena Firth Powell, author of All You Need To Be Impossibly French

Throwing herself into her work to escape the pain of her divorce, caterer Emma Jones refuses to give up her independence and be hurt again until she encounters devastatingly handsome surgeon Jordan Everett, who is determined to win her trust and love - forever. Original.

“Gallopig Gourmet” Graham Kerr and his wife Treena have spent the past twenty years embracing a Christ-like lifestyle they call outdulgence. Here, the Kerrs share the transforming details of such a truly good life that trades constant consumption and self-serving for creative simplicity and healthy self-denial to benefit others. A deep and delightful approach to what Jesus described when He said, “I have come that they may have life and have it in abundance.”

Never Alone By: Iris Fisher Smith Iris Fisher Smith's stories of family, friends and health will show the importance of sticking together with those you love. She had an Italian Grandmother who in her teens idolized Bonnie and Clyde; a father who was friends with Leonard Nimoy; a mother who attended school with the Boston Strangler and more. This family provides a rich history that shaped the author's life and personality. When Life becomes challenging, this is the time we need each other the most. It is important to laugh and play together and enjoy each other's company.
