The institution and the quest Ulla knows the answers to her identity and heritage may be found at the Mimirin where scholars dedicate themselves to chronicling troll history. Granted an internship translating old documents, Ulla starts researching her own family lineage with help from her handsome and charming colleague Pan Soriano. The runaway and the mystery But then Ulla meets Eliana, a young girl who no memory of who she is but who possesses otherworldly abilities. When Eliana is pursued and captured by bounty hunters, Ulla and Pan find themselves wrapped up in a dangerous game where folklore and myth become very real and very deadly—but one that could lead Ulla to the answers she's been looking for.

Fall under the spell of Wake—the first book in an achingly beautiful new series by celebrated author Amanda Hocking—and lose yourself to the Watersong. Gorgeous. Fearless. Dangerous. They're the kind of girls you envy; the kind of girls you want to hate. Strangers in town for the summer, Penn, Lexi and Thea have caught everyone's attention—but it's Gemma who's attracted theirs. She's the one they've chosen to be part of their group. Gemma seems to have it all—she's carefree, pretty, and falling in love with Alex, the boy next door. He's always been just a friend, but this summer they've taken their relationship to the next level, and now there's no going back. Then one night, Gemma's ordinary life changes forever. She's taking a late night swim under the stars when she finds Penn, Lexi and Thea partying on the cove. They invite her to join them, and the next morning she wakes up on the beach feeling groggy and sick, knowing something is different. Suddenly Gemma is stronger, faster, and more beautiful than ever. But her new powers come with a terrifying price. And as she uncovers the truth, she's forced to choose between staying with those she loves—or entering a new world brimming with dark hungers and unimaginable secrets.

Seventeen-year-old Eureka's life is taking on dark undercurrents that don't make sense . . . Her mother killed in a freak accident. Her best friend, Brooks, behaving like a stranger. And Ander. The boy with eyes like the ocean who is everywhere she goes. Uncovering her mother's legacy—a stone, a locket and an ancient tale of romance and heartbreak—Eureka begins to question everything she thought she knew. Only one thing is certain: everything she loves can be washed away.

Gemma is facing the fight of her life. Cursed by beautiful but deadly sirens, her extraordinary powers have a terrifyingly dark side, and becoming human once more is proving her greatest challenge yet. As she struggles to break the curse, the sirens, Penn, Lexi and Thea are determined to kill her before she can set herself free. Gemma's only allies are her sister, Harper, and Harper's boyfriend, Daniel. Together they must delve into their enemies' mythical pasts to discover their darkest secrets. But Penn has also set her sights on Daniel. Soon, the sirens threaten everything Gemma holds dear: her family, her friends, her life, and her relationship with Alex—the only guy she's ever loved. Can she save herself and those she cares about before it is too late?

Harper only wanted a safe, normal life. But when her younger sister Gemma runs off with a dangerous clique of beautiful girls, Penn, Thea, and Lexi, everything changes. Vowing to get her sister back no matter what the cost, Harper must face dangers unlike any she's ever experienced. Fortunately, she has Daniel by her side, a gorgeous guy who's devoted to helping her find her sister—and who's immune to the girls' dark powers. While Harper searches for her sister, Gemma struggles to adjust to her new life. Gemma's powers are growing by the day, and the longer she lives with her new "sisters," the harder it is to resist entering their magical world. It's a realm both dark and beautiful, and where she's plagued by strange hungers and unspeakable needs. Just as she's drifting far away from her old life, Harper and Daniel find her...but no one can deny how much she's changed. All she wants is to return to her family and the mortal world, but how can she do that when she's become something else entirely—and will they still love her once they learn the truth? Prepare to fall under the spell of Lullaby, the second book in the Watersong series from New York Times bestselling author Amanda Hocking.

At fourteen, Claire Thomas leads the average life of a teenage girl, maneuvering her way through family, friendships, and first love. But her childhood best friend, Drew, is not your average teenage boy. In fact, he is downright unusual. Sometimes he disappears, almost before her eyes. He speaks in clichés and Bible verses, and is always writing in his worn leather notebook. It seems he is trying to tell Claire something important, but she isn't sure what. After years of wondering why she is the only person to ever see or speak to him, thinking maybe he isn't real and it's all in her head, she is determined to discover The Truth About Drew.

"Wintersong is a maze of beauty and darkness, of music and magic and glittering things, all tied together with exquisite writing. This is a world you will want to stay lost in." —Marie Lu, #1 New York Times bestselling author Dark, romantic, and unforgettable, Wintersong is an enchanting coming-of-age story for fans of Labyrinth and Beauty and the Beast. The last night of the year. Now the days of winter begin and the Goblin King rides abroad, searching for his bride... All her life, Liesl has heard tales of the beautiful, dangerous Goblin King. They've enraptured her mind, her spirit, and inspired her musical compositions. Now eighteen and helping to run her family's inn, Liesl can't help but feel that her musical dreams and childhood fantasies are slipping away. But when her own sister is taken by the Goblin King, Liesl has no choice but to journey to the Underground to save her. Drawn to the strange, captivating world she finds—and the mysterious man who rules it—she soon faces an impossible decision. And with time and the old laws working against her, Liesl must discover who she truly is before her fate is sealed. Rich with music and magic, S. Jae-Jones's Wintersong will sweep you away into a world you won't soon forget. "This was Labyrinth by way of Angela Carter. Deliciously romantic, with a nuanced Goblin King and a strong heroine, this story was rife with fairy tales, music, and enchantment." —Roshani Chokshi, New York Times bestselling author of The Star-Touched Queen

"I don't do patrols, I don't go hunting, I just stick close to you. You live your life. I'll keep you safe," Tamani said, sweeping a lock of hair from her face. "Or die trying." Laurel hasn't seen Tamani since she begged him to let her go last year. Though her heart still aches, Laurel is confident that David was the right choice. But just as life returns to normal, Laurel realizes that a hidden enemy lies in wait. Once again, Laurel must turn to Tamani to protect and guide her, for the danger that now threatens Avalon is one that no faerie thought would ever be possible. And for the first time, Laurel cannot be sure that her side will prevail.

"I can't just storm in and proclaim my intentions. I can't 'steal' you away. I just have to wait and hope that, someday, you'll ask," Tamani said. "And if I don't?" Laurel said, her voice

barely above a whisper. "Then I guess I'll be waiting forever." Although Laurel has come to accept her true identity as a faerie, she refuses to turn her back on her human life—and especially her boyfriend, David—to return to the faerie world. But when she is summoned to Avalon, Laurel's feelings for the charismatic faerie sentry Tamani are undeniable. She is forced to make a choice—a choice that could break her heart.
