meets the lifeguard, Vic, whom she hates on site, until sparks of passion ignite between them. A teenage romance is rekindled when they meet again as adults. 'Seeking answers to the past, they return to the Adirondacks in a quest that turns dangerous for a dramatic conclusion.'

The novel's protagonist

acclaim. Everyone is
fascinated with him, yet
still no one knows much
about him. People are
both riveted and
frightened by the way he
demands attention.
