Jenny McCarthy, New York Times bestselling author of Baby Laughs and Belly Laughs, speaks candidly about the challenges and the humor to be found in balancing motherhood and the ups and downs of marriage. Jenny McCarthy's honesty has made her a bestseller. In Life Laughs, Jenny opens up about all of the things no one told you before you got married and had kids. Of course there's plenty of Jenny's outrageous humor, but she also writes openly and for the first time about doing your best when marriage falters and about her own divorce, which made headlines when it was announced in the summer of 2005. Jenny doesn't pretend to be an expert in her books; she is instead something more valuable—a good girlfriend. Catch Jenny's take on growing older, finances, PMS, sex, dating . . . and again, mommyhood. Jenny McCarthy is a trusted, brand-name, bestselling author, and Life Laughs is poised to be her biggest book yet.

ILTS 195 Principal as Instructional Leader Exam plus a free online tutoring subscription. This preparation guide contains updated exam questions based on the recent changes to the ILTS 195 Principal as Instructional Leader Exam. The ILTS 195 Principal as Instructional Leader questions are aligned with the updated standards. Most importantly, the exam questions are based on the content seen on the real exam. This guide is designed to get individuals to pass the ILTS 195 Principal as Instructional Leader Exam. Included in the guide are detail explanations to each of the practice exam questions.

A lifetime of restraint and placid affection erupts when a retired bank manager falls for a young girl. Set in Cumbria, this is an intensely moving evocation of an overwhelming passion and its destructive kernel of jealousy.

The lure of the silver bullet. Peopleware. Software processes. Software methodologies. Case. Software metrics. Software quality assurance. Software reusability. Software Re-engineering. Future trends. Software technology in India. The programmer's bookshelf.

This magnificent volume offers a richly illustrated survey of art in Scotland, from 1460 to the current day. Its main emphasis is on painting and the graphic arts, and its scope clearly establishes the place of visual art in Scottish culture. Placing in perspective the impact of the Reformation and the richness of late medieval art, the book then follows the growth of art in the new Protestant culture through the 17th century. It culminates with the glorious achievements of the 18th, 19th, and 20th centuries, of painters such as Ramsay, Raeburn, Mackintosh, and Wilkie. A splendid volume that establishes the claim of Scottish art to a distinct identity and that changes our understanding of the wider history of European art.
