Provides terms for common phrases, concepts, and definitions, and includes related terms and synonyms.

Introduces the various animals that live most closely with humans, including those that live in and on the body, as well as household scavengers and predators, garden animals, and neighborhood carnivores

Puffins are among the most instantly recognisable, iconic and well loved of birds. For many they are a highlight of the UK's summer coastline and their colourful appearance, comedy antics and approachability just add to their popularity. Several 'hotspot' are attracting high levels of interest in visits to their colonies. In spite of the high level of interest in, and appeal of, these birds there has been a surprising lack of books focused on Puffins as a species. Award-winning wildlife photographer Mark Sisson has spent several years photographing Puffins and this new book combines images that beautifully encapsulate their charm and visual appeal with an accessible text written by leading wildlife writer Dominic Couzens. The book covers

the birds' life cycle, behaviour, habitats and the current and future challenges that they face, along with many surprising facts and anecdotes.

Published in over 20 languages and now in paperback

The Dock Manual is the only book devoted entirely to planning, constructing, and maintaining residential docks on rivers, lakes, and oceans.

Achieve incredible results in your seascapes with this exciting, informative book. Dave White shows how to paint stunning dramatic marine scenes with beautiful and realistic skies. Simple techniques like spattering, blending and finger painting, and expert advice on the anatomy of waves, cloud types and beach perspective will revolutionise your seascapes. Three projects show step by step how to paint a beach panorama, a spectacular sunset and waves crashing on rocks.

Provides instructions for building patios, decks, walks, walls, fences, sheds, arbors, and garden furniture.
