Grades 2 and 3: It's tough to know when it's the right time to start readings from the Bible, but if the children have been read a children's version of the story in the past, I believe this is a good age to introduce the King James (or your preferred) bible reading.

either over consecutive days in one month, or by specific themes that encourage personal improvement in areas of discipleship, service, leadership, and overall teaching. Each of the thirty-one days includes a clear title that gives the lesson theme, a quotation from Scripture, an introduction to the exercise, step-by-step actions to take for the day, and spiritual enrichment ideas for the educator.

Popular author, catechist, and creator of The Religion Teacher website Jared Dees learned a valuable lesson from his students: teaching is not the same as evangelization. He found instead—as in Jesus’ own ministry—if you focus first on healing the wounded, then proclaiming the Word of God, and finally teaching, you can bring people of all ages to Christ. Using examples from his own teaching, stories from the Bible, and the lives of the saints, Dees offers a fresh and engaging approach and practical ideas for following the ministry of Jesus in your own work. Jesus had a threefold ministry on Earth: to heal the sick and wounded, proclaim the Good News, and teach those who became his disciples. It’s an approach imitated by the saints throughout history and continues to be the cornerstone of successful ministry in parishes, Catholic schools, and other vibrant programs today. Jared Dees—author of *31 Days to Becoming a Better Religious Educator*—will help you understand how Jesus’ ministry transformed lives through biblical examples such as Paul, Bartimaeus, the centurion’s servant, and the woman at the well. He shares the importance of healing through the ministries of saints, such as Mother Teresa, Br. André Bessette, Ignatius of Loyola, and Fr. Damien of Molokai. In *To Heal, Proclaim, and Teach*, Dees offers practical examples of how to apply Jesus’ threefold ministry to everyday life: allow yourself to be constantly evangelized; learn to help others through both good and bad times; and root yourself in

community. He also suggests examples of ministries that are effectively reaching the faithful of all ages today, including Catechesis of the Good Shepherd, Life Teen, Teens Encounter Christ, Theology on Tap, FOCUS, and Christ Renews His Parish. Dees will guide you with practical ways to imitate Jesus' ministry in your own classrooms and faith formation programs at all levels. *To Heal, Proclaim, and Teach* was a 2017 winner of the Association of Catholic Publishers Excellence in Publishing Award: Resources for Ministry (Third Place) and the Catholic Press Association Book Award: Pastoral Ministry (Third Place).

The text of the familiar psalm comparing God to a loving shepherd accompanies illustrations which shows the world of love and fear faced by an urban African-American family.

When God made Elina, He pulled moonlight from the north, starlight from the south, sunlight from the east, and candlelight from the west. He planted the four lights around the steadfast soil of her soul, and beaming with gladness, God said, Elina, pray. Every child around the globe is specially made by God with a unique set of virtues, talents, and interests. What beautiful things was God thinking when He made you? A children's picture book.

children talk to God when they are not sure what to say. This prayer book is a wonderful companion to the Spark Story Bible and Spark Story Bible Devotions for Kids.

If the goal of catechesis is to cultivate an encounter with Christ, why do religious educators spend so much time focused almost exclusively on ideas and not experiences? The reason is that many have never been shown a method that inspires the heart while also instructing the mind. Jared Dees, creator of the popular website *The Religion Teacher*, shows how applying the steps of *lectio divina* to teaching can reorient religious education toward encountering the person of Christ rather than merely sharing information about him. In *Christ in the Classroom*, Catholic author and speaker Jared Dees applies the five steps of *lectio divina*—reading/learning, meditation, prayer, contemplation, and action—to the ministry of catechesis. He offers teachers and catechists a practical framework for preparing lessons that broaden the focus of teaching from mostly intellectual learning to also encountering Christ in prayer, reflection, and action. Using this method, students and catechists come to know intimately the person of Christ at the same time that they are learning the tenets and traditions of the Church. Dees shares stories of success and failure from his own teaching experience and he offers dozens of field-tested strategies, tactics, and teaching methods to effectively integrate the steps of *lectio divina* into the classroom or other catechetical setting. Outfitted with these tools, both experienced and new religious educators will feel confident in their ability to teach effectively and lead their students to a life-changing encounter with Jesus.
