In 1930 Henry Miller moved from New York to Paris, leaving behind — at least temporarily — his tempestuous marriage to June Smith and a novel that had sprung from his anguish over her love affair with a mysterious woman named Jean Kronski. Begun in 1927, *Crazy Cock* is the story of Tony Bring, a struggling writer whose bourgeois inclinations collide with the

disordered bohemianism of his much-beloved wife, Hildred, particularly when her lover, Vanya, comes to live with them in their already cramped Greenwich Village apartment. In a world swirling with violence, sex, and passion, the three struggle with their desires, inching ever nearer to insanity, each unable to break away from this dangerous and consuming love triangle.

In 1941, Henry Miller, the author of *Tropic of Cancer*, was commissioned by a Los Angeles bookseller to write an erotic novel for a dollar a page. *Under the Roofs of Paris* (originally published as *Opus Pistorum*) is that book. From Marcelle to Tania, to Alexandra, to Anna, and from the Left Bank to Pigalle, Miller sweeps us up in his odyssey in

search of the perfect job, the perfect woman, and the perfect experience.

Rachel Waring is deliriously happy. Out of nowhere, a great-aunt leaves her a Georgian mansion in another city—and she sheds her old life without delay. Gone is her dull administrative job, her mousy wardrobe, her downer of a roommate. She will live as a woman of leisure, devoted to beauty, creativity, expression, and love. Once installed in her new quarters, Rachel plants a garden, takes up writing, and

impresses everyone she meets with her extraordinary optimism. But as Rachel sings and jokes the days away, her new neighbors begin to wonder if she might be taking her transformation just a bit too far. In *Wish Her Safe at Home*, Stephen Benatar finds humor and horror in the shifting region between elation and mania. His heroine could be the next-door neighbor of the Beales of *Grey Gardens* or a sister to Jane Gardam 's oddball protagonists, but she has an ebullient charm all her own.
