If you ' re ready to take the journey to wealth and personal fulfillment, here ' s your ticket. In this life-changing little book, entrepreneur and inspirational speaker Keith Cameron Smith shows you how to think like a millionaire and reap the benefits of a millionaire mindset. The key to moving beyond the middle class and up the economic ladder is mastering ten vital principles, including

- Millionaires think long-term. The middle class thinks short-term. Create a clear vision of the life you desire, and focus on it.
- Millionaires talk about ideas. The middle class talks about things and other people. Ask some positive “ what if ” questions every day, and bounce ideas off successful people who will be honest with you.
- Millionaires work for profits. The middle class works for wages. Take calculated risks and learn to take advantage of good opportunities. We all want to improve our financial position. In this inspirational and practical guide filled with savvy and sensible advice, Smith upgrades you from coach to first class. So follow these principles, transform your life, and realize your dreams!

The #1 New York Times bestseller. Over 2 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to:

- make time for new habits (even when life gets crazy);
- overcome a lack of motivation and willpower;
- design your environment to make success easier;
- get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.
