"Jay puts his amazing insights and learning from a lifetime behind the lens into a book that communicates the three most important aspects of street photography ... This isn't a book about f-stops or ISOs. It's about seeing. It's about being surrounded by the ordinary and learning to find the extraordinary. It's about training your mind, and your eyes, to see and capture the world in a way that delights, engages, and captivates your viewers ... your key to opening another level of understanding, appreciation, wonder and creativity as you learn to express yourself, and your view of the world, through your camera"--Publisher's description.

As a final installment in a military career wrought with horrid events, Jess is sent to rescue a Braugh warrior and his men from prison. All she wants is to be safely on her home planet to forget her throwback status and find a normal existence. The warrior's intimidating size and raw strength contrast with his tender nature, skillful lips and gentle touch, awakening sexual urges she thought had been stripped away years prior. Shane knows the piercings adorning Jess' body once created pain and taught her to suppress arousal and desire. And he knows what's needed to take her beyond the torture. But providing a sexual release may prove easier than convincing her something stronger lies between them. All he needs to claim his angel, in every way, is her consent.

A female dictator in a dystopian society. A reclusive animal hoarder preparing for the apocalypse. An anthropologist encountering supernatural events in the arctic tundra. A wounded Iraq veteran. Two men with secret fetishes for aborted fetuses and cancer patients. A rock star betrayed by everyone he loved. A mother and daughter's incestuous ménage à trois in a slumbering sea side town. The return of Jesus as a frog. A dominatrix with a broken heart. A robot nurse modeled after her patient's deceased wife. A man's quest for a mythical plant of psychic powers. A unicorn nursed by a deformed outcast. These are just a couple of the dozens of short stories in this collection. Revised, rebound and refined from an initial print of 50 stories the author completed by age 19. The stories within are delightfully brutal, pensive but playful, and have no interest in keeping you comfortable.
