Social Psychology: Edition 9 by Elliot Aronson, Timothy D ...

Elliot Aronson's primary research is in the area of social influence. Throughout his career he has sought to do experiments that would integrate his passion about basic science with his desire to apply those research findings toward improving the human condition (e.g., to reduce prejudice, deter bullying, and convince people to conserve energy and other natural resources).

This book, written by distinguished authors, presents a detailed, rigorous and scientific approach to social psychology aimed at students and faculty alike.

This book, written by distinguished authors, presents a detailed, rigorous and scientific approach to social psychology aimed at students and faculty alike.

The Indian adaptation of the 9th edition of this book on social psychology provides broad insights in to the culture, traditions and contexts of Indian society while explaining the various concepts of social behavior. The strength of this adapted edition is to actively engage the students by including real-life examples in Indian context along with the empirical Indian researches which are comparable with the vast in-depth scientific study of the various social psychological concepts. Features1. The book includes Indian case studies, data and researches so as to bring clarity about the causes, consequences and control of different social problems in the Indian scenario 2. To facilitate better learning and understanding, the book contains review questions, 'Try It!' exercises and knowledge testing through multiple-choice questions 3. These are retained in the adaptation with a few modifications in the Indian context. Last but not the least, this adaptation book is a dynamic introduction to the science, relevance and applications of social psychology in the Indian context 4.

Revised editon of the authors' Social psychology, 2013.

For courses in Social Psychology Show how the ever-changing field of Social Psychology is useful in students' everyday lives. Social Psychology, Fourteenth Edition retains the hallmark of its past success: up-to-date coverage of the quickly evolving subject matter written in a lively manner that has been embraced by thousands of students around the world. Authors Nyla Branscombe and Robert Baron—both respected scholars with decades of undergraduate teaching experience—generate student excitement by revealing the connections between theory and real-world experiences. The Fourteenth Edition offers updated content to engage students, as well as new “What Research Tells Us About...” sections in each chapter that illustrate how research findings help answer important questions about social life.

"There are few academics who write with as much grace and wisdom as Timothy Wilson. REDIRECT is a masterpiece." -Malcolm Gladwell What if there were a magic pill that could make you happier, turn you into a better parent, solve a number of your teenager's behavior problems, reduce racial prejudice, and close the achievement gap in education? There is no such pill, but story editing - the scientifically based approach described in REDIRECT - can accomplish all of this. The world-renowned psychologist Timothy Wilson shows us how to redirect the stories we tell about ourselves and the world around us, with subtle prompts, in ways that lead to lasting change. Fascinating, groundbreaking, and practical, REDIRECT demonstrates the remarkable power small changes can have on the ways we see ourselves and our environment, and how we can use this in our everyday lives.

For courses in Social Psychology. Make research relevant through a storytelling approach. Social Psychology introduces the key concepts of the field through an acclaimed storytelling approach that makes research relevant to students.
