This third edition is a thoroughly revised and updated version of the bestselling text for undergraduate leadership courses. This book is designed for college students to help them understand that they are capable of being effective leaders and guide them in developing their leadership potential. The Relational Leadership Model (RLM) continues as the major focus in this edition, and the book includes stronger connections between the RLM dimensions and related concepts, as well as visual applications of the model. The third edition includes new student vignettes that demonstrate how the major concepts and theories can be applied. It also contains new material on social justice, conflict management, positive psychology, appreciative inquiry, emotional intelligence, and new self-assessment and reflection questionnaires. For those focused on the practice of leadership development, the third edition is part of a complete set that includes a Student Workbook, a Facilitation and Activity Guide for educators, and free downloadable instructional PowerPoint® slides. The Workbook is a student-focused companion to the book and the Facilitation and Activity Guide is designed for use by program leaders and educators.

Real-world leadership training for real-world students The Student Leadership Challenge tailors one of the world's most respected leadership models to students' unique needs, and provides a proven pathway to success. Based on The Five Practices of Exemplary Leadership, this book merges solid research with personal stories from real-world student leaders to help students develop the critical skills they need to lead both now and after graduation. Useful from high school to graduate school and beyond, these lessons are reinforced by reflective and critical thinking activities to help students internalize important concepts while honestly assessing their own practices. Updated and expanded, this new third edition includes four extra chapters to allow deeper investigation, while broader, deeper, and more vivid examples from real-life students illustrate what student leadership looks like around the world. New discussion delves into the research behind the model, as well as the usefulness of leadership in the transition to post-graduate life. What does leadership mean to you? Although it may be difficult to put into words, we all know it when we see it. Effective leaders tend to exhibit a specific set of traits, possess certain skills, and practice particular habits. This book helps you hone your natural talents and shape your path to success as the leader you want to become. Learn The Five Practices of Leadership, and how they help you succeed beyond school Discover how students around the world are exhibiting the best in modern leadership Practice critical leadership techniques and engage in thought-provoking discussion Assess your own potential with the Student Leadership Practices Inventory Great leadership is more important than ever before, and students are in a prime position to develop these critical skills. The Student Leadership Challenge provides a comprehensive framework with real-world application to help students become their very best.
