#1 New York Times Bestseller Over 1 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to

Read Book Summary Of The Subtle Art Of Not Giving A F Ck A Counterintuitive

live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace

Read Book Summary Of The Subtle Art Of Not Giving A F Ck A Counterintuitive

our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives.

rejecting shitty values, and why you should reject the temptation to compare yourself to others.

From the author of the international mega-bestseller *The Subtle Art of Not Giving A F*ck* comes a counterintuitive guide to the problems of hope. We live in an interesting time. Materially, everything is the best it's ever been—we are freer, healthier and wealthier than any people in human history. Yet, somehow everything seems to be irreparably and horribly f*cked—the planet is warming, governments are failing, economies are collapsing, and everyone is perpetually offended on Twitter. At this moment in history, when we have access to technology, education and communication our ancestors couldn't even dream of, so many of us come back

Read Book Summary Of The Subtle Art Of Not Giving A F Ck A Counterintuitive

Approach To Living A Good Life

to an overriding feeling of hopelessness. What's going on? If anyone can put a name to our current malaise and help fix it, it's Mark Manson. In 2016, Manson published *The Subtle Art of Not Giving A F*ck*, a book that brilliantly gave shape to the ever-present, low-level hum of anxiety that permeates modern living. He showed us that technology had made it too easy to care about the wrong things, that our culture had convinced us that the world owed us something when it didn't—and worst of all, that our modern and maddening urge to always find happiness only served to make us unhappier. Instead, the “subtle art” of that title turned out to be a bold challenge: to choose your struggle; to narrow and focus and find the pain you want to sustain. The result was a book that became an international phenomenon, selling millions of

Read Book Summary Of The Subtle Art Of Not Giving A F Ck A Counterintuitive

Approach To Living A Good Life

copies worldwide while becoming the #1 bestseller in 13 different countries. Now, in *Everything Is F*cked*, Manson turns his gaze from the inevitable flaws within each individual self to the endless calamities taking place in the world around us. Drawing from the pool of psychological research on these topics, as well as the timeless wisdom of philosophers such as Plato, Nietzsche, and Tom Waits, he dissects religion and politics and the uncomfortable ways they have come to resemble one another. He looks at our relationships with money, entertainment and the internet, and how too much of a good thing can psychologically eat us alive. He openly defies our definitions of faith, happiness, freedom—and even of hope itself. With his usual mix of erudition and where-the-f*ck-did-that-come-from humor, Manson takes us by the collar

Read Book Summary Of The Subtle Art Of Not Giving A F Ck A Counterintuitive

and challenges us to be more honest with ourselves and connected with the world in ways we probably haven't considered before. It's another counterintuitive romp through the pain in our hearts and the stress of our soul. One of the great modern writers has produced another book that will set the agenda for years to come.

Why should we be good? How should we be good? And how might we more deeply understand the moral and ethical failings--splashed across today's headlines--that have not only destroyed individual lives but caused widespread calamity as well, bringing communities, nations, and indeed the global economy to the brink of collapse? In *The Difficulty of Being Good*, Gurcharan Das seeks answers to these

Approach To Living A Good Life
Questions in an unlikely source: the 2,000 year-old Sanskrit epic, Mahabharata. A sprawling, witty, ironic, and delightful poem, the Mahabharata is obsessed with the elusive notion of dharma--in essence, doing the right thing. When a hero does something wrong in a Greek epic, he wastes little time on self-reflection; when a hero falters in the Mahabharata, the action stops and everyone weighs in with a different and often contradictory take on dharma. Each major character in the epic embodies a significant moral failing or virtue, and their struggles mirror with uncanny precision our own familiar emotions of anxiety, courage, despair, remorse, envy, compassion, vengefulness, and duty. Das explores the Mahabharata from many perspectives and compares the successes and failures of the poem's characters to those of

better at advancing what you believe through the art of asking the right questions, at the right time, in the right order, and in the right form. Blending gripping case studies, relatable personal stories, digestible evidence, and practical advice, it walks you through the tools and the mindset needed to effectively communicate. Using the same techniques he used from the courtroom to Congress, Trey Gowdy helps you land on your objective, know your jury, establish your burden of proof, and formulate strategic questions to persuade effectively beyond a reasonable doubt. The art of asking the right questions, listening to the response, and following up in a systematic way is essential to moving hearts and minds. And that should always be our objective when it comes to persuasion: striving not only to communicate but to move our

The #1 New York Times bestselling sequel to Words of Radiance, from epic fantasy author Brandon Sanderson at the top of his game. In Oathbringer, the third volume of the New York Times bestselling Stormlight Archive, humanity faces a new Desolation with the return of the Voidbringers, a foe with numbers as great as their thirst for vengeance. Dalinar Kholin's Alethi armies won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the

Read Book Summary Of The Subtle Art Of Not Giving A F Ck A Counterintuitive

threat, Kaladin Stormblessed must come to grips with the fact that the newly kindled anger of the parshmen may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar's blood-soaked past and stand together—and unless Dalinar himself can confront that past—even the restoration of the Knights Radiant will not prevent the end of civilization.
