Like with other materia medicas, it doesn't always state the essence or main aspect of the remedy. The format in this materia medica is much different from the vast majority of other ones. "After the completion of my fortieth book I decided to hang my pen but destiny decided otherwise. Many of my readers wrote to me, as also asked me personally to write only those Symptoms of drugs, mostly useful for practice in day to day. As an old timer and believer of a complete picture of drugs, I expressed my

dissatisfaction of an incomplete picture of drugs. But I expressed my dissatisfaction in doing it but ultimately I bowed down to their wishes remembering the advice of my mentor and guru late Dr M N Jaisoorya, MD that the first and foremost duty of each and every homeopath is to do all things which help for the spread of this Divine medical science. proven through meditation. Entries cover the physical and esoteric characteristics of remedies, the history of their medicinal uses, and detailed descriptions of the symptoms affecting individual parts of the body. Summarized case notes show clinical evidence of efficacy and illustrate the optimal use of each cure.

One of the distinguishing features of homoeopathy is, that the cure is accomplished by administering a medicine, the characteristic symptoms of which correspond with the characteristic symptoms of the patient.
