his creation, a new born creature—a Free Man!” —John Brown Russwurm, 1829. John Brown Russwurm (1799-1851) is almost completely missing from the annals of the Pan-African movement, despite the pioneering role he played as an educator, abolitionist, editor, government official, emigrationist and colonizationist. Russwurm’s life is one of “firsts”: first African American graduate of Maine’s Bowdoin College; co-founder of Freedom’s Journal, America’s first newspaper to be owned, operated, and edited by African Americans; and, following his emigration to Africa, first black governor of the Maryland section of Liberia. Despite his accomplishments, Russwurm struggled internally with the perennial Pan-Africanist dilemma of whether to go to Africa or stay and fight in the United States, and his ordeal was the first of its kind to be experienced and resolved before the public eye. With this slim, accessible biography of Russwurm, Winston James makes a major contribution to the history of black uplift and protest in the Early American Republic and the larger Pan-African world. James supplements the biography with a carefully edited and annotated selection of Russwurm’s writings, which vividly demonstrate the trajectory of his political thinking and contribution to Pan-Africanist thought and highlight the challenges confronting the peoples of the African Diaspora. Though enormously rich and powerfully analytical, Russwurm’s writings have never been previously anthologized. The Struggles of John Brown Russwurm is a unique and unparalleled reflection on the Early American Republic, the African Diaspora and the wider history of the times. An unblinking observer of and commentator on the condition of African Americans as well as a courageous

fighter against white supremacy and for black emancipation, Russwurm ' s life and writings provide a distinct and articulate voice on race that is as relevant to the present as it was to his own lifetime.

From the acclaimed historian and bestselling author: a page-turning account of the epic struggle over slavery as embodied by John Brown and Abraham Lincoln--two men moved to radically different acts to confront our nation's gravest sin. John Brown was a charismatic and deeply religious man who heard the God of the Old Testament speaking to him, telling him to destroy slavery by any means. When Congress opened Kansas territory to slavery in 1854, Brown raised a band of followers to wage war. His men tore pro-slavery settlers from their homes and hacked them to death with broadswords. Three years later, Brown and his men assaulted the federal arsenal at Harpers Ferry, Virginia, hoping to arm slaves with weapons for a race war that would cleanse the nation of slavery. Brown's violence pointed ambitious Illinois lawyer and former officeholder Abraham Lincoln toward a different solution to slavery: politics. Lincoln spoke cautiously and dreamed big, plotting his path back to Washington and perhaps to the White House. Yet his caution could not protect him from the vortex of violence Brown had set in motion. After Brown's arrest, his righteous dignity on the way to the gallows led many in the North to see him as a martyr to liberty. Southerners responded with anger and horror to a terrorist being made into a saint. Lincoln shrewdly threaded the needle between the opposing voices of the fractured nation and won election as president. But the time for moderation had passed, and Lincoln's fervent belief that

File Type PDF The Struggles Of John Brown Russwurm The Life And Writings Of

democracy could resolve its moral crises peacefully faced its ultimate test. The Zealot and the Emancipator is the thrilling account of how two American giants shaped the war for freedom.

"Tracing Brown's legacy through writers and artists like Thomas Hovenden, W.E.B. Du Bois, Robert Penn Warren, Jacob Lawrence, Kara Walker, and others, Blake Gilpin transforms Brown from an object of endless manipulation into a dynamic medium for contemporary beliefs about the process and purpose of the American republic."--book jacket.

Mixing idealism with violence, abolitionist John Brown cut a wide swath across the United States before winding up in Virginia, where he led an attack on the U.S. armory and arsenal at Harpers Ferry. Supported by a "provisional army" of 21 men, Brown hoped to rouse the slaves in Virginia to rebellion. But he was quickly captured and, after a short but stormy trial, hanged on December 2, 1859. Brian McGinty provides the first comprehensive account of the trial, which raised important questions about jurisdiction, judicial fairness, and the nature of treason under the American constitutional system.

John Brown (May 9, 1800 - December 2, 1859) holds a unique place in American history, often viewed as a force for good and an evil man at the same time. Brown was a revolutionary abolitionist in the United States who became famous in his own time for practicing armed insurrection as a means to abolish slavery for good. He led the Pottawatomie Massacre during which five men were killed in 1856 in Bleeding Kansas and

File Type PDF The Struggles Of John Brown Russwurm The Life And Writings Of

became notorious for his attempted raid at Harpers Ferry in 1859. For that, he was tried and executed for treason against the state of Virginia, murder, and conspiracy. Brown has been called "the most controversial of all 19th-century Americans." Brown's attempt in 1859 to start a liberation movement among enslaved African Americans in Harpers Ferry, Virginia (now West Virginia) electrified the nation. He was tried for treason against the state of Virginia, the murder of five pro-slavery Southerners, and inciting a slave insurrection and was subsequently hanged. Southerners alleged that his rebellion was the tip of the abolitionist iceberg and represented the wishes of the Republican Party to end slavery. Historians agree that the Harpers Ferry raid in 1859 escalated tensions that, a year later, led to secession and the Civil War. Brown's final speech, along with other words and interviews spoken by Brown during and after his trial and imprisonment are contained here in a collection of Primary Accounts of John Brown. Included are the last letters to his family, his last speech, his interview in prison, and the final note he wrote the day he was executed which predicted that slavery would only be abolished through the spilling of blood.

John Brown was fiercely committed to the militant abolitionist cause, a crusade that culminated in Brown's raid on the Federal armory at Harpers Ferry in 1859 and his subsequent execution. Less well known is his devotion to his family, and they to him. Two of Brown's sons were killed at Harpers Ferry, but the commitment of his wife and daughters often goes unacknowledged. In *The Tie That Bound Us*, Bonnie Laughlin-Schultz reveals for the first time the depth of the Brown

File Type PDF The Struggles Of John Brown Russwurm The Life And Writings Of

women 's involvement in his cause and their crucial roles in preserving and transforming his legacy after his death. As detailed by Laughlin-Schultz, Brown ' s second wife Mary Ann Day Brown and his daughters Ruth Brown Thompson, Annie Brown Adams, Sarah Brown, and Ellen Brown Fablinger were in many ways the most ordinary of women, contending with chronic poverty and lives that were quite typical for poor, rural nineteenth-century women. However, they also lived extraordinary lives, crossing paths with such figures as Frederick Douglass and Lydia Maria Child and embracing an abolitionist moral code that sanctioned antislavery violence in place of the more typical female world of petitioning and pamphleteering. In the aftermath of John Brown ' s raid at Harpers Ferry, the women of his family experienced a particular kind of celebrity among abolitionists and the American public. In their roles as what daughter Annie called " relics " of Brown ' s raid, they tested the limits of American memory of the Civil War, especially the war ' s most radical aim: securing racial equality. Because of their longevity (Annie, the last of Brown ' s daughters, died in 1926) and their position as symbols of the most radical form of abolitionist agitation, the story of the Brown women illuminates the changing nature of how Americans remembered Brown ' s raid, radical antislavery, and the causes and consequences of the Civil War.

A New York Times Notable Book for 2011 A Library Journal Top Ten Best Books of 2011 A Boston Globe Best Nonfiction Book of 2011 Bestselling author Tony Horwitz tells the electrifying tale of the daring insurrection that put America on the path to bloody war

File Type PDF The Struggles Of John Brown Russwurm The Life And Writings Of

Plotted in secret, launched in the dark, John Brown's raid on Harpers Ferry was a pivotal moment in U.S. history. But few Americans know the true story of the men and women who launched a desperate strike at the slaveholding South. Now, *Midnight Rising* portrays Brown's uprising in vivid color, revealing a country on the brink of explosive conflict. Brown, the descendant of New England Puritans, saw slavery as a sin against America's founding principles. Unlike most abolitionists, he was willing to take up arms, and in 1859 he prepared for battle at a hideout in Maryland, joined by his teenage daughter, three of his sons, and a guerrilla band that included former slaves and a dashing spy. On October 17, the raiders seized Harpers Ferry, stunning the nation and prompting a counterattack led by Robert E. Lee. After Brown's capture, his defiant eloquence galvanized the North and appalled the South, which considered Brown a terrorist. The raid also helped elect Abraham Lincoln, who later began to fulfill Brown's dream with the Emancipation Proclamation, a measure he called "a John Brown raid, on a gigantic scale." Tony Horwitz's riveting book travels antebellum America to deliver both a taut historical drama and a telling portrait of a nation divided—a time that still resonates in ours.

Excerpt from John Brown After the work of Sanborn, Hinton, Connelley, and Redpath, the only excuse for another life of John Brown is an Opportunity to lay new emphasis upon the material which they have so carefully collected, and to treat these facts from a different point of view. The View-point adopted in this book is that of the little known but vastly important inner development of the Negro American. About the Publisher

An authoritative new examination of John Brown and his deep impact on American history. Bancroft Prize-winning cultural historian David S. Reynolds presents an informative and richly considered new exploration of the paradox of a man steeped in the Bible but more than willing to kill for his abolitionist cause. Reynolds locates Brown within the currents of nineteenth-century life and compares him to modern terrorists, civil-rights activists, and freedom fighters. Ultimately, he finds neither a wild-eyed fanatic nor a Christ-like martyr, but a passionate opponent of racism so dedicated to eradicating slavery that he realized only blood could scour it from the country he loved. By stiffening the backbone of Northerners and showing Southerners there were those who would fight for their cause, he hastened the coming of the Civil War. This is a vivid and startling story of a man and an age on the verge of calamity.
