Presents advice on how to make a productive use of time, describing such actions as identifying top priorities, setting goals, batching similar tasks, overcoming procrastination, and controlling interruptions.

It's a simple equation--the better you use your time, the more you will accomplish, and the greater you will succeed. But the rollout of this basic theory isn't so simple, is it? In Time Management, business author and success expert Brian Tracy says it is! In this indispensable, pocket-sized guide, Tracy reveals 21 proven time management techniques you can use immediately to gain two or more productive hours every day. Two or more! Every day!! By learning the strategies that Tracy himself has identified as the most effective and employed personally, readers having trouble fitting everything the day brings them inside a 24-hour window will learn how to:

- Handle endless interruptions, meetings, emails, and phone calls
- Identify your key result areas
- Allocate enough time for top priority responsibilities
- Batch similar tasks to preserve focus and make the most of each minute
- Overcome procrastination
- Determine what to delegate and what to eliminate
- Utilize Program Evaluation and Review Techniques to work backward from the future . . . and ensure your most important goals are met
- And more

Filled with Brian Tracy's trademark wisdom, this invaluable, time-creating resource will help you get more done, in less time . . . and with much less stress.

Discover 10 Essential Ways to Make the Most of Your Time "Time is money," as the saying goes, but most of us never feel we have enough of either. In Master Your Time, Master Your Life, internationally acclaimed productivity expert and bestselling author Brian Tracy presents a brilliant new approach to time management that will help you gain control of your time and accomplish far more, faster and more easily than you ever thought possible. Drawing on the latest research in productivity science and Tracy's decades of expertise, this breakthrough program allocates time into ten categories of priority--including strategic planning/goal setting, people and family, income improvement, rest/relaxation, and even creative time--and reveals the best techniques for focusing on each effectively. By thoughtfully applying the principles in Master Your Time, Master Your Life, you'll not only achieve greater results and reach your goals more quickly and successfully, you'll also have more time to devote to what you truly love.

Reveals the author's strategies for taking complete control of one's time and using it to get more done, increasing productivity and income exponentially, including how to make better, faster decisions, and overcoming people problems that can sap time. 60,000 first printing.

Every idea in this book is focused on increasing your overall levels of productivity, performance, and output and on making you more valuable in whatever you do. You can apply many of these ideas to your personal life as well. Each of these twenty-one methods and techniques is complete in itself. All are necessary. One strategy might be effective in one situation and another might apply to another task. All together, these twenty-one ideas represent a smorgasbord of personal effectiveness techniques that you can use at any time, in any order or sequence that makes sense to you at the moment. The key to success is action. These principles work to bring about fast, predictable improvements in performance and results. The faster you learn and apply them, the faster you will move ahead in your career - guaranteed! There will be no limit to what you can accomplish when you learn how to Eat That Frog!

Did you know that the 80/20 rule applies to the world of sales too? Eighty percent of all sales are made by only twenty percent of salespeople. Which begs the question: How are they raking in so much money, and how can others join them? Sales trainer extraordinaire Brian Tracy has spent years studying the world's best salespeople and their methods and has discovered that the difference between the top 20 and the bottom 80 boils down to only a handful of critical areas in which the top professionals perform only a smidgen better than their peers. You are that close! In this compact and convenient guide, Tracy shares 21 tried-and-true techniques that can help any salesperson gain that winning edge. Learn how to:

- Set clear goals--and achieve them
- Develop a sense of urgency and make every minute count
- Know your products inside and out
- Analyze your competition
- Find and quickly qualify prospects
- Understand the three keys to persuasion
- Overcome the six major objections
- And much more!

Packed with proven strategies and priceless insights, Sales Success will get you planted firmly on the path to success, making more money than you thought possible and greater career satisfaction than you ever believed you would find.

Features twenty-one methods managers can use to increase the effectiveness of their employees.

Unlock the secrets to turning even ordinary employees into extraordinary performers! Do you want to become invaluable to your company? Of course you do. The unparalleled key to achieving that notoriety is to learn how to boost your managerial skills and bring out the best in your people. And if that sounds simple, that's because it is! Great managers are made, not born. And success expert Brian Tracy has written Management, a handy, easy-to-follow guide book to show how anyone can easily:

- Set performance standards
- Delegate productively
- Define key result areas
- Concentrate attention and resources on high-payoff activities and eliminate distractions
- Hire and fire effectively
- Build a staff of peak performers
- Hold meetings that work
- Communicate with clarity
- Negotiate successfully
- Remove obstacles to performance
- And more

Filled with practical, proven techniques and tools, this essential guide shows you how to bring out the best in your people--and be seen as an indispensable linchpin by the leaders of your organization.
