He will... unravel her.

Dandelion Meadows is cursed. Horrible name. Horrible luck. At eighteen she should be headed off to college, all smiles and naivety. Nightmares of that terrible day haunt her, affecting her daily life and the relationships around her. Forced to meet with the school counselor, Dani finds him chipping away at the walls she's built around herself, and even her heart. Lachlan Taylor doesn't know what to make at first of the broken student he's tasked with helping. She's survived a trauma he's not sure he can save her from, but he knows he has to try. mood swings.3.Clean up after yourself. Is it really so hard to put dirty clothes where they belong?If you meet these qualifications, call me.Sincerely,Desperately Seeking RoommateWhen I put the ad in my university's newspaper, the last thing I ever expect is for the star football player to respond. From what I know of him, Abel Russo is a womanizer and an absolute jerk.Sadly, he's the only thing stopping me from being evicted by my annoyingly gleeful landlord. It should be easy enough--there's no chance we'll fall for each other. But then he gives me lingering looks, and I might just be looking back. All I wanted was a roommate, but I'm about to get so much more than I bargained for.

There's nothing left to remind him of the straight A student, and football quarterback he once was...but he wasn't a good person then, and he's certainly not a good person now. He's retreated into a world where all that exists is numbness and his passion for painting. When Sutton Hale moves into the apartment across the hall from Caelan she's not prepared for her reaction to him. Something in his broken blue eyes calls to her-after all she's always had an irrational need to fix everything. But Caelan doesn't do relationships or feelings. He does drugs and alcohol. However, he can't ignore his desire to get to know the raven-haired woman across the hall.Two broken souls trying to mend one another. But not everything can be fixed.In the end, Caelan and Sutton will have to learn that there is beauty in the ashes.

"I'd never met anyone quite like Mathias Wade. He was brooding and arrogant, but I loved him anyway. Together we were wild and uncontained-a hurricane raging. Then I had to leave and words were exchanged that could never be undone. But I was back, and Mathias better watch out, because this bitch wasn't finished with him. Game. Set. Match. All is fair in love and war, right?" Mathias Wade, the lead singer of Willow Creek, is used to getting everything he wants. Except for Remy Parker-the one that got away. Childhood friends that grew into more, Remy was the one constant in his life until she moved away. In anger, he lashed out and broke the only girl he ever loved. With temptation around every corner Mathias drowns his sorrow in women and alcohol. When the band returns to their hometown for the holidays the last thing Mathias expects is to run into Remy-but she's back, and she's not done with him. Remy never forgot Mathias or the pain he caused her. When she moves back to the place she grew up to take care of her ailing grandma her heart is set on revenge. She's determined to make Mathias fall in love with her all over again-only this time she's going to break his heart. But Mathias never stopped loving Remy-and she soon discovers that her feelings haven't disappeared either. Can two people too stubborn for their own good overcome their own demons and find the love they always deserved?
