Dinner At The Centre Of

One of the exhilarating aspects of Dinner at the Center of the Earth is its expansive sense of space and time...The effect is to heighten events, to transcend history in favor of a more allegorical realm...Englander has built a complex structure, by which his narrative reveals itself in pieces, and the less we know in advance, the more vividly we feel its turns...with this novel he frames history as both an act and a failure of the imagination, which is to say, in inherently, and inescapably ...

Dinner at the Center of the Earth: A novel: Englander ...

"uneven as a work of literature, but its ideas are worth engaging." In a New York Times interview Nathan Englander describes his second novel, Dinner at the Center of the Earth, as having "a Turducken of a structure: it's a literary novel inside a spy thriller that's inside a love story—a love story that's tucked inside an allegory."." Despite Englander's spare prose his ...
