The serial and engine number can tell us a lot about you Volvo Penta marine engine. Some owners have difficulty identifying the exact model of their engine or the year it was produced, while the answer was coded inside the serial number and engine identification all along. But the current identification method was not always the same.

What the Serial Number Tells Us about Your Volvo Penta ...

07-29-2003, 05:28 PM. "Anyone out there able to tell me the differences between the A,B,C and D versions of the Volvo Penta AQ130 B20 four cylinder engines, mine has dual Solex, round opening, carbs and the serial number is 33249/51753. I am in the process of rebuilding mine and there are no markings on the block telling me which version this is. I contacted Volvo Penta Canada with the serial number but their data base does not have that info.
