Fanshen: A Documentary of Revolution in a Chinese Village ...

Fanshen is the story of the revolution for a small rural peasant village in the north of China called Long Bow. It is filled with evidence and does not second guess itself, which allows for the documentary style to flourish, with the prime purpose of building up a story of the actions and heartbreak of the people of Longbow as they made changes to their centuries long feudal way of life.

Fanshen: A Documentary of Revolution in a Chinese Village ...

Fanshen is not about the Great Leap Forward of the famine that followed it or about the Cultural Revolution. Rather it is about a chapter of the revolution that I knew essentially nothing about -- the massive land reform campaign carried out in the territories under Communist control in the last several years of the Civil War that preceded the Communist victory and the declaration of the Peoples Republic.

Fanshen: A Documentary of Revolution in a Chinese Village ...

Fanshen: A Documentary of Revolution in a Chinese Village is a 1966 book by William H. Hinton that describes the land-reform campaign during the Chinese Civil War conducted from 1945 to 1948 by the Chinese Communist Party in "Long Bow Village". Hinton lived in the village in spring and summer of 1948 and witnessed scenes described in the book and recreates earlier events based on local records and interviews with participants. He explains party strategy to present the campaign's successes in bui

William Howard Hinton was an American farmer and writer. A Marxist, he is best known for his book Fanshen, published in 1966, a "documentary of revolution" which chronicled the land reform program of the Communist Party of China in the 1940s in Zhangzhuangcun, sometimes translated as Long Bow Village, a village in Shanxi Province in northern China. Sequels followed the experience of the village during the 1950s and Cultural Revolution. Hinton wrote and lectured extensively to explain the Maoist
