History. Linguistic activism and feminist authorship stemming from second wave feminism in the 1960s and 70s began to draw attention to gender bias in language, including "the uncovering of the gendered nature of many linguistic rules and norms". Scholarship such as Dennis Baron's "Grammar and Gender" and Anne Bodine's "Androcentrism in Prescriptive Grammar" uncovered historical male regulation to promote male-centric language such as the use of " he " as a generic pronoun.
