What does the SC Error Code Mean on a Hopkins Impulse ...

The Hopkins controllers are somewhat prone to failing, when you replace it I would go with something a bit more reliable. For a brake controller I would recommend the Prodigy P2 Brake Controller part # 90885. This is our best selling brake controller because of how well it works and how easy it is to setup.

Troubleshooting a Hopkins Impulse Brake Controller Showing ...

BRAKE CONTROL Brake lights on the vehicle and trailer activate when the manual slide is pushed. Unit is short-proof protected from electric trailer brake and brake light wiring shorts. Works with 2, 4 and 6 brake systems. Brake control adjustments may need to be made for different road conditions and trailer loads.
