On the other hand, you can also browse through news, features, archives & indexes and the inside story for information.

### Kamasura Moped Owners Manual

Kamasura mopeds were imported to the United States from China in the mid 1980s (mostly 1987). The engine is a faithful copy of a Sachs 505-1A, though it lacks the mechanism for coaster-style brakes. Even the carburetor is copied from the square Bing used on Sachs. The engine has either a running deer logo on the magneto cover or a "HL" set over a tri-star.

But the 6th bike I hope to add after some refurbishment and maybe a transplant to a decent frame is one of the infamous Kamasura 250 VRX "Fine Korean Motorcycle". This is translated to Chinese bicycle with a motor mounted on it. The engine is a copy of either an old Sachs, Benelli or Garelli model, and is about 40cc.

A post in the General Discussion forum by Nash . oh god. should i even bother? it apparently turns over. i cant believe how many of these have been coming out of the woodwork around here, unless the same one has made the rounds on craigslist three times already this year.

### \$50 Kamasura... — Moped Army

I just bought a 1987 Kamasura moped at a yard sale. It is in great condition, but needs a battery. What kind will work? and where would I get it? Also, I paid \$50 for this thing, is that a good deal? What would the resale value be? Edited by lorra15433
