### Lacharity Nclex Book

This book was incredibly helpful during NCLEX prep! I only used Prioritization, Delegation, and Assignment plus ATI practice tests and recently took the NCLEX on August 4th and passed with 75 questions!! I highly recommend this book and doing all of the chapters with review of both correct and incorrect question rationals.

Overall, LaCharity's Prioritization, Delegation, and Assignment is a book that seems to excel at one thing: offering quality NCLEX questions. Everything else, like strategy and critical thinking techniques and basic nursing content, is ignored. Which is not a bad thing.

although it is designed for nclex- rn, it also applies for the nclex-pn. i suggest you use it as well. i gave my lacharity book to my sister in law after i took my nclex- rn this past monday because she will be taking her nclex-pn the end of the month. maybe you won't have that much delegation on your nclex but the book has a lot prioritization q's and a lot of sata questions that will help you on your nclex-pn.
