Lay betting is an option on exchanges like Betfair where bettors can play the bookmaker, offering odds to sell a bet instead of to back a bet. It is one component of matched betting, where punters both back and sell bets on the same game to guarantee winning. When you lay a bet, you are betting on something to not happen

Rake the soil as you lay the sod to clear any bumps under the surface. After you've laid the first row, smooth out any areas that have wrinkled or bunched up, but be careful not to step on it. Then, carefully pat the patch into the ground with a shovel to remove any air pockets and encourage the sod to take root.

At Smarkets, green represents a back bet and blue represents a lay bet. Another way to distinguish between the two, the lay bets are always on the right-hand side. Betfair and other exchanges use a different colour scheme but you can find out more about that in our betting exchange guide. In my example, I'm placing a lay bet on a draw. In other words, I'm betting that the game is NOT going to be tied.
