Letters From Thailand A Novel Botan

After visiting Thailand a few months ago, I was interested to read this true story about a young man that migrated from China and started a family in Thailand in the 1940's. The reader really gets to know this man as he grows older through the letters that he wrote back home to his mother that were confiscated by the government, so she never ...

Thai Alphabet. Learning the Thai alphabet is very important because its structure is used in every day conversation. Without it, you will not be able to say words properly even if you know how to write those words. The better you pronounce a letter in a word, the more understood you will be in speaking the Thai language.
