Letters to My | Chronicle Books

For me, writing a letter addressed to my future self is a way to clarify and revisit experiences that I've been through during the past few months. It's a bit different from journaling because 1) it's more of an assessment rather than a just a summary of events and 2) more importantly, you are writing to a new you - a future you.

5 Things to Include in a Letter to Your Future Self ...

Letter to my future self is a service I created to help people send a letter to their future self. The setup is simple. You draft a letter to yourself, put in your email address and pick when you want to get the letter - for example, in a week, a month, a year, or even up to 10 years later. Your message is stored encrypted.

Letter To My Future Self Free Essay Example

Dear Future Me, First of all, I'm going to expect your life is really cool right now, because if it isn't, all of this college crap wasn't worth it. I'm going to hope you have a job, because if not, again: college=crap. I hope you are happy.

A Letter To My Future Self - The Odyssey Online

"I need to write my future self a letter -- I need to remember what I went through in 2020." I saw myself documenting a kind of time capsule of the experiences and emotions so that the next time I was in a crisis (personal or global), I would know what worked for me this time around could help me tomorrow. But it had to be more than a pep talk.

Why we all need to write a letter to our future self right ...

A vision of your future In Coach Yourself, Anthony Grant and Jane Greene advise that to help decide what's important to you and what to focus on, a good method is to write yourself a letter from the future. (Other variations including creating "vision boards" made up of pictures from magazines.)
