Anybody have any idea where I can come up with a flat rate manual or labor guide for sterndrives? I've got outboard books but can't find any for sterndrives such as mercruiser. I'm charging actual time, but am really wanting to know if I'm even close to other shops. SeLoc Pro has an online service for a \$175 annual subscription but that seems pretty high just to look up estimated labor times ...

Re: Marine mechanics - any guidelines for hours billed per job? I worked in the auto business for 15 years, and you're referring to a labor guide. There are a couple companies that have "standardized" guides for specifying how long a repair "should" take under normal circumstances. (Mitchell, and All Data being two of the biggest).
