### Metal fatigue | metallurgy | Britannica

This mental fatigue results from inadequate sleep or when sleep and activities fall outside of our biological need to consistently sleep at night and be active in the day—it's not the same as fatigue resulting from physical exertion. Mental fatigue.

### The difference between mental and physical fatigue

Daniel Gioffre of AllMusic awarded Metal Fatigue 4.5 stars out of 5, calling it "One of the most important fusion records of the '80s" and "Holdsworth's best work. Absolutely essential for those who like their rock with a healthy dose of jazz". The title track was listed as one of the highlights, as well as the contributions of drummer Chad Wackerman and bassist Jimmy Johnson, whom he ...

### Metal Fatigue (album) - Wikipedia

If Metal Fatigue often crashes to the desktop, try to reduce quality of the graphics. It is possible that your PC just does not have enough performance and the game may not work correctly. Also, it is worth to check out for updates - most of today's games have the automatic patches installation system on startup if internet connection is available.
