The Essential Guide to Making it Work at Work This book is for Boomers, GenXers and Millennials - no matter who's in charge; read it with your team. As Millennials join the workforce at a fast and steady rate, companies are struggling with tension and dissonance between Millennials and their GenXer and Boomer colleagues.

Books | Lee Caraher

Publisher's Summary As management ages and prepares to work longer than previous generations, and Millennials join companies at steady rate, companies are suffering through tension and dissonance between Millennials and Boomers, and realizing that they can't just wait for management to age out to fix it.

Millennials and Management (Audiobook) by Lee Caraher ...

Millennials have watched their parents negotiate their own work lives, and they know already that they don't want to work with people they don't respect or want to spend time with. "The team around me matters a lot," says Jennifer, age 29. "People want to work around people they like, who make them better, who work well together.
