LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Monkey Business - What's Changed Since Then? (Originally Posted: 02/26/2012) So I read Monkey Business (by John Rolfe and Peter Troobe) last night and obviously it was an eye-opening book. For those of you who've read it and have gone through the jungle that is Wall Street (or are still in it), what has changed since the 90s when the book was set?
