Here is an updated version of the sdomain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Moro The Cookbook

The Moro menu encompasses dishes that originated in Spain and dishes from the Muslim Mediterranean, two areas linked in history by the Moors' 700-year occupation of Spain. The book is much more than a simple catalogue of recipes—the chefs also communicate the romance and tradition inherent in each dish and their writing is informed by an intimate knowledge of long-established culinary and cultural traditions.
