Tested One American School Struggles

Tested: One American School Struggles to Make the Grade. The pressure is on at schools across America. In recent years, reforms such as No Child Left Behind have created a new vision of education that emphasizes provable results, uniformity, and greater attention for floundering students.

Tested: One American School Struggles to Make the Grade by ...

TESTED resounds the choices that the principal and teachers in one Maryland elementary school believe NCLB forces upon them. Perlstein tells the story of the entire 2005-2006 school year she spent at Tyler Heights Elementary, a school that serves very poor children and teeters on the brink of making or losing the Adequate Yearly Progress rating NCLB awards to a 'successful' school.

Amazon.com: Tested (9780805088021): Perlstein, Linda: Books

All American public school students must be tested in reading and math each year from third through eighth grade and once in high school. Not only must scores increase overall each year, they must also rise for every "subgroup" of children in a school: minorities, the poor, students who receive services such as special education.
