This is a strange and brilliant book. It covers all kinds of disgusting materials, but does so as acts of the imagination. "The Hydra's Tale" is focused on representations of disgust in literature and film. It also argues that the human mind imagines disgust, as it does other affects, and transforms it into vivid personal experience.

### Hydra's Tale: Imagining Disgust by Robert Rawdon Wilson

"In The Hydra's Tale, Robert Rawdon Wilson treats the experience of disgust not from the perspective of the disgusting object-in-the-world, but from its representation. Working through the spectrum of human response, culture, and art, Wilson teases out the assumptions that underpin the disgust response."--Book jacket.
