Edward O. Wilson Explains 'The Meaning of Human Existence ...

Life has no meaning. Life or human existence has no real meaning or purpose because human existence occurred out of a random chance in nature, and anything that exists by chance has no intended purpose. Life has no meaning, but as humans we try to associate a meaning or purpose so we can justify our existence.

Meaning of life - Wikipedia

Human nature is a concept that denotes the fundamental dispositions and characteristics—including ways of thinking, feeling, and acting—that humans are said to have naturally. The term is often used to denote the essence of humankind, or what it 'means' to be human. This usage has proven to be controversial in that there is dispute as to whether or not such
