The Undead The First Seven
First of all this is a British zombie novel, something that always gets a thumbs up from me, it's not that I'm against American zombie, but The Undead: The First Seven Days is a compilation of seven published parts, originally serialised but now collected together in one big novel, so you can read it all in one go.

Live Undead is the first live album by American thrash metal band Slayer. It was released through Metal Blade Records and recorded in New York City in front of a room of people. It has been questioned by both critics and authors that the audience sound may or may not be faked. However, in 1984, WBAB Fingers Metal Shop, a radio station, held a contest to meet and hang out with Slayer during a ...

we cause havoc wherever we go.!: the undead - nine toes ...
The undead are beings that have died and have had their souls trapped between life and death. They derive power from necromantic magic.[1] Most common examples being zombies or ghosts, undead are typically mindless, bloodthirsty fiends hostile toward any living thing that comes across their path. But some have managed to retain their memories and be who they were in life.
