Understanding The Eu Budget

Understanding the EU Budget On 2 nd of May 2018, the European Commission put forward a proposal for the next Multi-annual Financial Framework 2014-2020. To understand the EU budgetary system better and what is at stake in the next one the Robert Schuman Foundation has created a special page on which it presents all of the articles it has published on this issue.

Understanding the EU Budget - Robert Schuman

Written by former Member of the European Parliament, and of its Budgetary Control Committee, Ben Patterson, 'Understanding the EU Budget' explores the historical background, including the Court of Auditors' reports on mismanagement by the Commission which led to the latter's resignation en bloc in 1999.

Understanding the EU Budget: Patterson, Ben: 9781907720239 ...

The EU budget is funded mainly by contributions from the 28 Member States. About 94% of the money funds real activities on the ground that benefit European citizens, regions, cities, farmers, and businesses. The EU's administrative expenses account for 6% of the total EU budget. The budget never builds up debt and only spends what it receives.

European Union Budget: EU budget contributions and funding ...

The EU budget is actually pretty simple. It's often more about the optics of sending money to Brussels and how it's spent than the euro amounts. Debates are dominated by countries' vocal self-determination as a net payer, a cohesion country or another descriptor. Here are seven charts that explain the EU budget debate.
