When A Family Is In

The “family is” or the “family are”? Posted on February 7, 2017 by barnabyharward Collective nouns are words that describe groups of people or things, e.g. “family” or “team”. Grammatically they are singular, but as they describe more than one individual, they may also take the plural form of a verb or use a plural pronoun.

The “family is” or the “family are”? | Common Mistakes in ...

In human society, family (from Latin: familia) is a group of people related either by consanguinity (by recognized birth) or affinity (by marriage or other relationship). The purpose of families is to maintain the well-being of its members and of society.

Family - Wikipedia

Note: The interpretation of the word family in a law context depends upon the area of the law concerned (as contract or zoning law), the purpose of the document (as a statute or contract) in which it is used, and the facts of the case. Often for zoning purposes, the occupants of a group home are considered a family if the organization is like that of a family or if the home is going to be a permanent rather than a transitional residence for the occupants.

Family | Definition of Family by Merriam-Webster

The basic social unit in a community is family; it contains parents and their children, considered as a group, whether residing together or not. A family may contain an husband, spouse, brother and sister, parent and son and daughter.

What Is A Family? Essay - 760 Words | Bartleby

The traditional family consists of a father, mother and children. This is the family shown on television as the standard family. However, the 21st century showcases a variety of family units, some very different from the standard of the 1950s. Today, children are also often raised in single parent homes, by grandparents or by homosexual parents.
